ADAM CLAYTON POWELL takes his place at the witness table before testifying at a Select House Committee hearing on his qualifications for membership in the House of Representatives. The Harlem Democrat would answer only questions dealing with his age, citizenship and residency—the three qualifications for House membership set forth in the constitution. (AP Wirephoto)

Powell Is Mum To Questioning

WASHINGTON (AP) — Members of a select House committee looking into Adam Clayton Powell's qualifications to be seated said today they think the Harlem Democrat has hurt his chances by refusing to answer some of its questions.

Powell, acting on the advice

Saginaw Police Hold Two Men In Four Killings

SAGINAW (AP) — Two men, both in their 20s, are being held for investigation in connection with the brutal murders of two Saginaw couples, it was learned today.

One of the men reportedly was arrested early Monday, the other Wednesday morning.

The two have been charged with armed robbery, but are expected to be charged with the murders of a Saginaw school teacher and his wife and the murders of a prominent Negro physician and his wife.

Earlier, Saginaw Police Chief Joseph Bugenske said a solution to the case appeared imminent.

"I expect to have this whole thing cleared up by late this afternoon," said Bugenske.

Bugenske said he believed the slayings of a Saginaw school teacher and his wife and a prominent Negro doctor and his wife were committed by the same person or persons.

Bugenske refused to release any further details or say whether any arrests have been made.

Weather

By The Associated Press

ESCANABA AND VICINITY—Variable cloudiness with occasional snow or snow flurries likely today and tonight. High today, 25. Low tonight, 16. Friday, cold with variable cloudiness and chance of snow flurries. Variable winds (8 to 16 mph) today and tonight. Saturday outlook: possible snow flurries and continued cold. High yesterday, 14 and low overnight, 6. Precipitation probabilities: today and tonight, 60%; Friday 30%.

Upper Peninsula — Mostly cloudy tonight and Friday with a chance of occasional snow. Warmer tonight, turning colder Friday. Lows tonight 10 to 15. Highs Friday in the lower 20s.

Sun sets today at 6:06 p. m., and rises Friday at 7:59 a. m.

Boost Taxes Or Cut Education: Hannah

EAST LANSING (AP)—Michigan must reform its tax structure now or else reduce its already inadequate support for education, says John Hannah, president of Michigan State University.

Hannah also reported to the MSU faculty Wednesday night that he had appointed a special committee to start from scratch in developing patterns for undergraduate education in the future.

Kennedy Urging New Asia Policy

CHICAGO (AP) — Sen. Robert F. Kennedy urges the United States to develop an Asian policy "based on the reality and diversity of today's Asia and on a discriminating assessment of its own interests, capacities and limitations."

Addressing a University of Chicago conference on China Wednesday night, the New York Democrat said the United States, though for 20 years the strongest power in Asia, has acted there "virtually without conscious policy and direction, unaware of what we seek and the price we are prepared to pay."

President Asks New \$3 Billion In Foreign Aid

WASHINGTON (AP) — President Johnson asks Congress today for \$3.13 billion in new funds for military and economic aid to foreign nations in the coming year.

The President is expected to stress again in a special message his foreign aid themes of self-help by aid-receiving countries, "multination development and assistance efforts, and promotion of agriculture, health and education."

UAW Calls For Labor 'Reform'

DETROIT (AP) — Accusing AFL-CIO President George Meany of violating constitutional mandates which fail to meet his personal pleasure, the United Auto Workers Union called today for AFL-CIO "internal reform."

This left no doubt the 1.4-million-member UAW is only a step away from an outright walkout, which could come at an April UAW convention.

Cargo Terms Romney Winner

JACKSON (AP)—Gov. David F. Cargo of New Mexico gave strong indication Wednesday night he would support Michigan Gov. George Romney in a race for Republican presidential nomination.

"I'm not endorsing anyone yet, but I'm certainly not unsympathetic to his (Romney's) cause," said Cargo.

Cargo called Romney "the most electable" presidential prospect among Republicans, but he said it was too early to give all-out support to any single candidate.

Truce May Aid U.S. Cease-Fire Prospect

THE DOME of the Capitol rises in background of snow-weighted tree branches after the latest storm to hit Washington. More than eight inches of the white stuff covered the area. (AP Wirephoto)

Demand, Pay Hikes Boost Gas Prices

NEW YORK (AP) — Gasoline price increases by major oil companies are spreading across the country.

The boosts of one cent a gallon at service stations are seasonal and came in the wake of rising demand and higher labor costs.

Gulf Oil Co. Wednesday became the latest company to join the price rise parade. The advance affects all of the company's outlets except in the West Coast area.

Earlier, American Oil Co., Continental Oil Co., Phillips Petroleum Co., and Sunray Oil Co. announced price boosts.

Gulf gave no reason for the increase, but a Gulf contract agreement last month set a general pattern for numerous new settlements between oil refiners and the Oil, Chemical and Atomic Workers International Union.

The general pattern included a 14-cent hourly pay hike immediately and a 4 per cent increase next January.

The wage levels were not immediately available.

Gasoline prices at this time of year normally go down instead of up. Wintry weather cuts driving and this leads to a buildup of inventories of motor fuel.

The American Petroleum Institute reported that gasoline stocks now are about 10 million barrels above inventories one year ago. But demand has been climbing. An industry source put consumption of gasoline at more than 4.6 million barrels daily, more than 4.5 per cent above a year ago.

The institute said service station prices for regular grade gasoline averaged 32½ cents a gallon last December.

Bureau of Public Roads figures show that there were 91.7 million motor vehicles registered in the United States at the end of 1965. Total motor vehicle fuel consumption for that year was 71.1 billion gallons, an average of 775 gallons per vehicle.

Of these vehicles, 76.6 million were passenger cars, which consumed 49.7 billion gallons of motor fuel, an average of 649 gallons per car.

The number of incidents could have an important bearing on Washington's decision whether to extend the cease-fire to the seven days which the Viet Cong has proclaimed. President Johnson in a message to Pope Paul VI Wednesday night said he hoped the four-day period "may be extended and may open the way to negotiations for a just and stable peace."

LBJ Tells Pope Hope To Extend Four Day Lull

SAIGON, South Vietnam (AP) — The lunar new year truce eased through its second day today with neither side in the Vietnam war claiming a major violation. But U.S. and Vietnamese military authorities reported 114 incidents, and said 28 were considered significant.

Among the significant actions was a seven-hour fire fight between a company of the 173rd Airborne Brigade and an estimated 30 Viet Cong Wednesday in war Zone D north of Saigon. A U.S. spokesman said the American company of about 120 infantrymen suffered moderate casualties. Two Viet Cong were reported killed.

He said the Americans were moving to a new position and the guerrillas opened up from bunkers and trees. The Viet Cong used more than 100 hand grenades, rifle fire and a Claymore mine in the engagement, the spokesman said, while the Americans called in artillery and air strikes. The air attacks continued for four hours while the Americans removed their wounded, the spokesman reported.

The U.S. company was making a "positioning movement" and was not conducting an offensive operation, the spokesman said. He gave no further details.

Incidents Fewer

With at least two more days to go in the cease-fire and all reports for the second day not yet in, the number of incidents was running slightly behind the total of 122 reported during the two-day truce at Christmas. But it was considerably below the 176 for the same cease fire period over the New Year's weekend.

The number of incidents could have an important bearing on Washington's decision whether to extend the cease-fire to the seven days which the Viet Cong has proclaimed. President Johnson in a message to Pope Paul VI Wednesday night said he hoped the four-day period "may be extended and may open the way to negotiations for a just and stable peace."

The Pope had messaged Johnson, President Ho Chi Minh of North Vietnam and South Vietnamese chief of state Nguyen Van Thieu expressing hope that the truce would lead to peace. But U.S. officials in Washington said even if the truce was extended briefly, they doubted it would result in a breakthrough toward a peace settlement.

The U.S. Command announced that 117 Americans were killed in scattered actions throughout South Vietnam last week, 820 were wounded and 11 were missing or captured. The report for the previous week had been 131 killed, 822 wounded and six missing.

Allies Have Casualties

A Vietnamese spokesman reported 170 government troops killed last week and 26 missing, up from 157 killed and 17 missing the previous week. Enemy casualties were reported at 1,300, a rise from 1,256 the week before, and a Vietnamese spokesman said 276 enemy soldiers were captured last week.

Other allied forces — South Koreans, Australians and New Zealanders — reported one of their heaviest weekly casualty tolls of the war: 38 men killed and 83 wounded.

There was no major engagement last week, but allied units conducted scores of spoiling operations to upset rumored plans by the Viet Cong to present President Ho with a victory for the Tet, the new year celebration.

News In Brief

By The Associated Press

FREETOWN, Sierra Leone—A military plot to seize power here was broken up by the government. Prime Minister Sir Albert M. Margai said the plotters planned to kill him, the army commander and several government ministers.

WASHINGTON—Bureau of Prisons figures show only one criminal was executed by civil authorities in the United States last year, a record low since 1930.

SANTA MONICA, Calif.—Actress Jill Ireland has won a divorce from David McCallum, star of "The Man From U.N.C.L.E." She claimed mental cruelty.

HAMMAGUIR, Algeria—A 27 per cent error in its orbit may prevent France's third satellite from being used to chart the Mediterranean area more accurately.

MOSCOW—Thousands of Russians shouted and threw snowballs at Chinese diplomats at a railway station here as a group of Chinese students left for Peking.

LANSING—Gov. George Romney's support of more revenue for road and street needs is hailed by Michigan Good Roads Federation as an act to help overcome problems of inadequate roads.

WASHINGTON—Senators consider today a proposal prohibiting them and their employees from entering financial transactions with lobbyists. Chances for adoption appear slim.

WESTLAND—Randy Sissom, 11, is dead following the explosion of a capsule of home-made fuel that scattered steel fragments around his suburban Detroit home. Several pieces pierced his chest.

LANSING—The House and Senate have approved supplemental appropriations which include \$15,783 for a forestry building at Michigan Tech.

HOLLYWOOD—Actress Anne Baxter, 43, plans a divorce from Randolph Galt. A spokesman says Miss Baxter separated from her Australian husband.

Roof Collapse Hurts Children Attending Mass

BALTIMORE, Md. (AP) — The roof caved in today on a Roman Catholic church filled with children attending at 9 a.m. Lenten Mass. The fire department said 20 to 30 persons were taken to hospitals.

No one was killed.

The roof of the St. Rose of Lima church sagged under heavy snow and collapsed with a roar as Father Francis O'Brien was saying Mass to 60 to 70 children and a dozen or so adults.

"I heard a noise and the roof just caved in," said Father O'Brien, who had blood on his face, apparently from helping carry out injured persons.

The injured persons were taken to four hospitals. The most seriously injured was listed as a 13-year-old boy with a fractured skull.

The children attend St. Rose of Lima School, located next

Withholding Of Milk Near, Says Leader Of NFO

HOWELL (AP) — The president of the National Farmers Organization told Michigan NFO leaders Wednesday a milk withholding action aimed at boosting the farmer's milk price by \$1 a hundredweight is imminent.

Oren Staley, who has been going from state to state to conduct strategy meetings, also urged NFO members each to sell one producing animal to cut the over-all supply of meat and milk.

The idea, an NFO spokesman said, is to test whether a reduced supply can lead to a higher price, or whether the processors who buy farm products have enough economic power to keep the price down.

The NFO's national convention in December called for a national marketing agency in common to negotiate milk price contracts, and authorized a holding action if necessary to show strength.

Michigan NFO leaders say they are meeting with other farm groups to seek support, and also negotiating with processors.

Staley told about 900 leaders from 44 Michigan counties that the holding action must be conducted "with calmness and firmness—mainly calmness."

Detroit-area farmers received \$5.53 in December for 100 pounds of milk. An increase of \$1 a hundredweight would amount to slightly more than two cents a quart.

Staley's announcement to Michigan milk industry leaders followed similar action in Wisconsin, where the NFO hopes to raise the price of milk paid to farmers for Grade A Milk to

\$6 per hundred pounds and for manufacturing milk to \$5. Present prices there are about \$1 lower.

Most of the Upper Peninsula's milk is marketed through the Michigan Milk Producers Association, a smaller amount through the Pure Milk Association of Wisconsin.

The number of Upper Peninsula dairymen who are members of the NFO has never been announced, but the group has been more openly active in Cobeck County than anywhere else. Some of the members of the Pure Milk local in the southern Upper Peninsula had expressed personal support for the NFO's withholding program but it has taken no organizational stand and the MMPA's economists have described the plan as unworkable.

Pinecrest Gives Certificates To 12 Nurse Aides

POWERS — Twelve nurse aides of the Pinecrest Medical Care Facility were awarded certificates and name pins after having completed a 40 hour in-service training course on nursing procedures under the directorship of Mrs. Donald VanEnkevort R. N., director of nursing services.

It was the ninth such group to receive this training since the program was instituted in 1963. Special ceremonies were held recently for the awards followed by a coffee social.

Those receiving certificates were: Mrs. Carl Aichner of Wallace, Miss Margaret Beauchamp of Powers, Mrs. Robert Hultman of Stephenson, Mrs. Felix Sackcheck of Bark River, Mrs. Kenneth Gronmarch of Carney, Mrs. Clarence DeMorse of Bark River, Mrs. William Bader of Carney, Mrs. Theresa Blahnik and her mother, Mrs. Richard Blahnik of Carney, Mrs. Robert Beaudoin of Stephenson, Mrs. George Gustafson of Carney, Mrs. John Sundquist of Stephenson, Mrs. Van Enkevort and Mrs. Russell MacDonald of Daggett.

Ibo tribesmen of Africa, victims of recent massacres, belong not to a homogenous tribe but to one that is made up of more than 200 groups, totaling more than five million persons.

State Employs Two Biologists

Ray Juetten, 22, a native of Escanaba and a graduate of Central Michigan University this past month with a B. S. Degree in Biology, has been employed as a habitat fish biologist trainee effective Feb. 6, according to the Regional office of the Michigan Department of Conservation, Marquette.

Juetten, who is single, worked for the Fish Division during the past four summers and will be assigned the Crystal Falls District and will live in Crystal Falls.

Walter Houghton, a native of Manistiquie but now a resident of Gladstone, is also employed as a fish habitat biologist trainee effective Feb. 6, according to the Regional office.

Houghton was graduated from Western Michigan University in 1960 with an A.B. Degree in Biology and received his Masters Degree in Zoology from the University of Arkansas in 1962. He will be assigned to the Thompson Hatchery. Houghton spent two years in the Army and was discharged in 1964.

He was employed as hatchery biologist with the Missouri Conservation Department for one and one half years and also worked part time for the Arkansas Game and Fish Commission while a student at the University there. He is married and is the father of a one-year-old son.

The appointments were made according to the rules and regulations of the Michigan Civil Service Commission.

Rebel Conference Planned In Havana

MIAMI, Fla. (AP) — A Latin-American revolutionaries' conference will convene in Havana July 26, the Cuban radio reports.

"The conference of representatives of the people and of revolutionary movements of Latin America will serve to intensify the struggle against U.S. imperialist domination in Latin America," a broadcast said.

Powers-Spalding

St. Ann Society
The St. Ann Society of St. Francis Xavier parish held their regular monthly business meeting Monday evening at 8 with twenty-five members attending.

Sister Alverna from the parochial school gave a short talk and stressed the need for catechetical teachers. Mrs. Wilfred Vorin has taken over the job of cleaning the sanctuary and sacristy each week and will be reimbursed by the society.

Mrs. Lester Srna read a letter from the Spiritual Development chairman on "Learning How To Love." The Little Flower Circle, headed by Mrs. Earl St. John Sr., will sponsor an annual card party as their money-making event. It will be held on Sunday evening, March 12.

Refreshments for the March meeting will be served by the Sacred Heart Circle. Lunch was served by the Little Flower Circle.

4-H Meeting
A meeting of the Handy Helpers 4-H Club was held at the home of Mrs. Earl Keil on Monday after school. A party for the three local 4-H groups will be held at the Legion Club rooms on Sunday, Feb. 12 from 1:30 to 5:30 p.m.

The Cub Scouts and Boy Scouts will be served a luncheon by the Handy Helpers on Thursday evening, Feb. 16. Servers will be Elizabeth Prestay, Mary Wheeler, Monica Thoun and Cecile Draz.

QUICK-WASH FOR PLANES was developed by the Naval Air Systems Command after low-level submarine patrol aircraft were having severe problems with corrosion from salt. Salt deposits had been accumulating on aircraft surfaces and engine intakes after low-level flights, so planes now pass through a rinse system immediately after coming back from patrols.

Sever Hannahville Appeal

Indians Finally To Receive \$937,291 Treaty Award

PETOSKEY — The Grand River Band of Ottawa Indians of Lower Michigan are finally going to get what's been coming to them.

Robert Dominic of Petoskey, president of the Northern Michigan Ottawa Association, announced today that the way has been cleared for final judgment of about \$930,000 in its suit against the United States for payment for Indian lands in Michigan ceded to the federal government in the Treaty of 1821.

A judgment of \$937,291 was awarded to the Indians in Dec., 1964, by the Indian Claims Commission, Washington, D.C., but final award was delayed by an appeal in a companion case involving adjoining lands of the Potawatomi Nation.

Dominic said the appeal by the Hannahville Potawatomi Indians of northern Menominee County was ruled not to apply to the Ottawa judgment by the appellate Court of Claims in Washington.

Award This Year
Attorney James Fitzharris of Escanaba, representing the Ottawa Indians, said final judgment by the Indian Claims Commission could come within several months. Once the order is issued, he said, an appropriation by Congress would be needed.

The \$937,291 award, based on 85 cents per acre for a tract of 1,140,740 acres of Ottawa land in Michigan, will be reduced by any allowable "offsets" which the Commission approves, said Fitzharris. He said the "offsets" will not exceed \$5,000 as they have already been stipulated by counsel.

When the award finally comes it will end some 19 years of litigation based on a treaty which is 146 years old. "I'm very elated," said Dominic, 53. "It's been a long haul and a lot of work to keep faith in what we've been trying to do."

Land Adjoins
The Ottawa land involved is located in southern lower Michigan in the Kalamazoo-Grand Rapids area, bounded on the south by the Kalamazoo River. The Potawatomi land amounting to 2,857,494 acres adjoins Ottawa land and includes a part of what now is the State of Indiana.

A judgment of \$2,428,869 to the Potawatomi Indians by the Indian Claims Commission on that tract is still being held up by the Hannahville appeal. The appeal contends that since the Treaty of 1821 was executed with the "Potawatomi Nation" the Hannahville Potawatomes are entitled to share in the award.

Originally a party in the suit, the Hannahville claim was dismissed. Attorneys for the Hannahville Indians are appealing that ruling and have been given additional time to prepare briefs by the Court of Claims.

Suits Consolidated
The award to the Grand River Band of Ottawa Indians was delayed, however, because of the appeal. Suits involving both Ottawa and Potawatomi tracts of land although separate cases, were consolidated for trial because both were ceded to the government in the same treaty.

The Court of Claims ruled that the Hannahville appeal did not apply to the Ottawa tract, which was separate and distinct from the Potawatomi land, clearing the way for final judgment.

Dominic organized the Northern Michigan Ottawa Association in 1948 on the theory that his ancestors had been short-

changed by the government in the treaty. Suit was filed to collect the difference in 1948.

Fitzharris and attorney Jay Hoag of Duluth represented the Ottawa Association in legal action.

The Northern Michigan Ottawa Association includes over 5,000 members, perhaps a fifth of whom belong to the Grand River band, Dominic said. He declined to speculate on how much each of the Grand River Ottawas would receive from the settlement. That will have to be worked out by the Indians in conjunction with the Bureau of Indian Affairs, Ashland, Wis., office.

Only Indians whose ancestors are listed on the 1821 and 1853 rolls of Grand River landowners will share in the settlement and each will receive an equal share, he said.

Largest concentrations of Grand River Ottawas are located in the Grand Rapids, Muskegon and Manistee areas, Dominic said.

In another case, Fitzharris said he was advised by Hoag that all material in a suit arising from the Treaty of 1836 has been submitted to the Indians Claims Commission and is being considered. In the treaty about 14 million acres of land in the western part of northern Lower Michigan and the central and eastern sections of the Upper Peninsula was ceded to the government by Ottawa and Chippewa Indians.

Michigan Indians are hoping for a judgment of some \$15 million in the case.

Two Plead Innocent To Narcotics Count

MARQUETTE — A man and woman from Duluth, Minn., who were arrested in Gladstone on a narcotics law violation, pleaded innocent Wednesday when arraigned before Circuit Judge Bernard H. Davidson.

Carolyn Sue Baumgartner, 23, also pleaded innocent to uttering and publishing a worthless check.

Her bond of \$5,000 and \$2,500 bond for Benjamin Eckmark, 29, was continued. They were remanded to the Delta County Jail in lieu of bond. Trial was scheduled for the April term of Circuit Court in Delta County.

State Police said Miss Baumgartner and Eckmark were specifically charged with "removing a narcotic from its original labeled container." Officers

said the drug was obtained legally, but cannot legally be removed from its container.

The narcotic was found in a Gladstone motel room during investigation when Miss Baumgartner was arrested on the uttering and publishing charge, police said.

Living Room Fire Kills 2 Children And Their Mother
DETROIT (AP) — A suburban Plymouth Township mother and her two small children perished Wednesday in a fire which filled the living room of their cement block home with intense heat and smoke.

Capt. Barney Maas of Plymouth Township Fire Department identified the victims as Mrs. Gloria Pascas, 32; her son, Gary, 3, and daughter, Delores, 1.

Maas said the fire began in a living room closet and spread to the room, but caused little damage.

"There was terrific heat and smoke," he said. "A passerby saw the smoke and called us. We were there in minutes and put it out but it was too late."

The body of Mrs. Pascas was found by the front door. Her children's bodies were in an adjoining bedroom of the single-story home.

Mrs. Pascas' husband, Victor was at work. Maas said the cause of the fire was not immediately determined.

Red Owl Has Staff Shakeup

Red Owl Food Stores, Inc., the Minneapolis food chain announces completion of a substantial revision of its management.

The realignment apparently is tied to declining earnings at Red Owl and problems with its expansion into Denver after retreating from Chicago in the spring of 1963. The 11 Chicago stores were sold to National Tea Co.

Earnings for the fiscal year ending Feb. 28 are expected to be about \$1.25 a share, down from \$1.75 a share in 1966 and \$2.04 a share in 1965. Sales have been increasing.

Ford Bell, chairman and chief executive officer, said that Red Owl is contemplating selling its 14 Denver area stores.

Consultant Made Study
The changes at Red Owl followed a survey by a management consulting firm. Bell has hinted that there was at least some connection between the results and recommendations of the study and the resignation of four veteran vice-presidents, one a director.

It was indicated that the firm hoped the top management shuffle had been ended but it was admitted that there might still be some "reshaping" among lower management levels.

In the latest position changes James E. Gottlieb was named to the newly created post of assistant vice-president in charge of administration. Replacing Gottlieb as assistant treasurer is Orville G. McDonald. He had been budget director.

Vice-Presidents Listed
McDonald also was given the new post of administrative assistant for analysis which will involve budget, control and planning duties.

The four vice-presidents who resigned were: William J. Quinn, in charge of marketing; Vernon J. Winter, distribution and manufacturing; Merle R. Getten, sales and procurement; and Michael J. McMahon, advertising and radio stations (Red Owl owns radio stations in Minneapolis, Yankton, S.D., and Duluth-Superior).

Quinn also resigned as a director. Named to replace him was John W. Moaty, a Minneapolis attorney.

Current vice-presidents are Lawrence W. Rixie, finance; Neil Elkey, agency and wholesale operations, and James H.

Wille, retail operations. In new appointments, Raymond Hegre was named advertising manager; Glenn R. Anderson, director of manufacturing and distribution, and Willard J. Carlson, director of labor relations.

President James A. Watson reportedly offered to resign during the management changes. Watson is a brother-in-law of Ford Bell.

Red Owl has 176 owned stores about 300 agency (franchised) stores, 200 wholesale accounts, 31 Snyder's drugstore and 26 Foodtown stores, in Kansas.

Hermansville

Miss Sandra (Sally) Boerschinger, daughter of Mrs. Vivian Boerschinger, has enrolled as a freshman at Northern Michigan University at Marquette.

A Snowmobile Derby will be held at the Hermansville Lake on Sunday, Feb. 19 at 2 p.m. Time trials will be at 1 p.m., stock machines only. Trophies will be awarded to the prize winners. The derby is sponsored by the William Anderson Sportsman's Club.

Plans were made at a recent meeting of the Membership Committee drive of the Holy Name Society of St. Mary's Church. Plans call for enrollment of every man in the parish in the Holy Name Society. Bernard Poquette and Robert Sutherland are co-chairmen of the project.

Increase

HOUGHTON — Michigan Tech has a current winter quarter enrollment of 3,781, an increase of 448 students over the 1965-66 enrollment for the same period.

Lab Project Delayed

Heating Plant Financed

The House of the Michigan Legislature completed legislative action on an appropriation of \$59,500 Wednesday to finance a heating plant for the State Office Building in Escanaba, reports Rep. Charles Varnum (R-Manistique).

The installation was necessitated by the phasing out of the City of Escanaba's steam plant, which has supplied the building with heat.

The state will substitute a gas-fired boiler heating system. The appropriation was recommended by the Senate Appropriations Committee, which met here recently and inspected the building under leadership of Chairman Frank Beadle (R-St. Clair).

The House Appropriations Committee approved the expenditure and Varnum, a member, co-sponsored the appropriation bill. The legislation was given immediate effect, and Varnum said the Governor had

announced that he would not oppose the expenditure.

The State Office Building had been ticketed for legislative action to finance an addition to house state laboratories to serve Upper Peninsula needs of the State Health Department and the State Department of Agriculture. An appropriation of \$250,000 in state funds had been authorized to qualify for matching federal funds for the project. This appropriation is now dead and must be renewed, members of the Senate Appropriations Committee said on their recent visit to Escanaba in the course of a tour of state facilities in the Upper Peninsula.

Varnum said today that he hopes the laboratory project can be renewed in the current two year term of the Legislature. The state's financial stringency throws all capital outlay proposals into great uncertainty until the Legislature resolves the tax reform issue at Lansing, where a state income tax is being proposed to solve the state's fiscal problems.

An enlargement of the State Office Building to provide more office space had also been proposed in the Legislature, but that seems out the window for the time being, along with the lab project, as senators who visited the building said "We see offices used by other than state agencies. Let the state fill it up before we ask for more space."

Two Governors Greet Navy Glee Club At Lansing

LANSING (AP) — The U. S. Naval Academy glee club visited Michigan's Capitol Building Wednesday and was greeted by not one governor but two.

Govs. George Romney of Michigan and David C. Hooper of New Mexico were among those listening as the midshipmen sent strains of "Go Navy" echoing up the Capitol rotunda.

The two governors welcomed the group, which is on a seven-state Midwest tour, and gave each other's states a little good-natured kidding.

Romney, noting Michigan has the longest shoreline of any state and styles itself the "Water Wonderland," said his state should have a special attraction for the Navy.

Cargo, referring to Michigan's current 7-degree weather, replied: "We may not have the water, but we've darn sure got the sunshine."

Cargo is in Michigan to make two Lincoln Day speeches and to confer with the state's tourist and industrial development groups.

Gust S. Aho Taken By Death

Gust S. Aho of Rte. 1 Rock died at 11:10 a.m. Wednesday at St. Francis Hospital where he had been a patient for two days. Born in Finland on Sept. 22, 1894 he had resided in Rock for the past 45 years. Mr. Aho was engaged in farming.

He is survived by his widow, Lydia; two sons, Paul of Clinton, Mich., and Ronald of Escanaba; a daughter, Mrs. Ted (Violet) Kamarainen of Gladstone and five grandchildren; a sister, Mrs. Emil Siekkinen of Lake Worth, Fla., and several brothers and sisters in Finland. Friends may call at the Anderson Funeral Home from 4 to 9 p.m. Friday and funeral services will be conducted at 11 a.m. Saturday at the funeral home chapel with Rev. Walfrid E. Nelson officiating. Burial will be in Rock Cemetery.

Mardi Gras Was Messiest Ever

NEW ORLEANS, La. (AP) — The cleanup after the Mardi Gras revelry continues today with more than 172 tons of beer cans, whisky bottles and other trash already in hand — a record.

The trash haul from the messiest Mardi Gras of all exceeds the record 1966 total by 30 tons, reports John Cassreino, city director of sanitation.

AIDING THEIR CHURCH building fund were members of the Methodist Youth Fellowship of the First Methodist Church, who earned \$343.30 by distributing the City of Escanaba annual report calendar. Pictured (from left) are Sally Barrett; Susan Plowman, MYF president, presenting the check to Lyle Plowman, president of the Board of Trustees; Kay Ness, Bruce Dewar and David Ness. (Daily Press Photo)

First Money Bill Goes To Romney

LANSING (AP) — The 74th Legislature got its first taste of spending money Wednesday as the House passed a \$3.47 million supplemental appropriation bill which the Senate approved last week.

The bill will make nearly \$2.9 million available for construction and planning at state colleges and universities. It goes to Gov. George Romney who is expected to approve it.

Largest item in the bill is a \$1 million appropriation to continue construction of a liberal arts classroom building at Western Michigan University.

The House also passed and sent to the Senate a bill appropriating to the widow of Rep. William H. Thorne, D-Deerborn Heights, \$1,686 — the remainder

of his salary for 1966. Thorne died last autumn before his term expired.

Among House bills introduced was a lower-court reorganization measure similar to a bill already in the Senate.

Sponsored by J. Robert Traxler, D-Bay City, it would abolish Municipal, Police and Justice courts, replacing them with a system of 53 district courts of record.

The 1963 state constitution provides for the abolition of Justice Courts at the end of this year or sooner.

Elevator Sticks 14 Are Stranded

DETROIT (AP) — It took an hour to rescue 14 persons stranded in an elevator stuck on the second floor of the Fisher Building in midtown Detroit Wednesday, partially because of a strike by elevator repairmen. The strike began last week. A supervisor for the service company freed the passengers and restored service, saying: "Everybody took it very well."

Killed In Action

WASHINGTON (AP) — Lance Cpl. Daniel S. Castillo, brother of Patrick Castillo of Saginaw, Mich., has been killed in action with the Marine Corps in Vietnam, the Defense Department announced Wednesday.

Recruit Nurses From Australia

LOS ANGELES (AP) — Hospitals in the Los Angeles area are looking to Australia to recruit nurses.

"The shortage is very acute," said a spokesman for White Memorial and Glendale Seventh-day Adventist hospitals.

Frank Phillips, personnel director at White Memorial, has already left for Australia to interview nurses at Sydney.

A survey last year showed there were only 261 nurses for every 100,000 residents of the Los Angeles area. The average 10 years earlier was 300 nurses.

Briefly Told

SPEASOBA singers meet tonight at 8:01 at the Senior Citizens' Drop-In Center. All male singers are invited.

State Police of the Gladstone Post issued traffic summonses Wednesday to Larry E. Johnson, 217 N. 20th St., Escanaba, no operator's license on person; Francis E. LaChance, Rte. 1, Rapid River, no registration or proof of insurance, and Lloyd Meshigaud, Rte. 1, Wilson, no muffler.

The regular immunization clinic of the Delta-Menominee District Health Dept. for Friday has been cancelled. Next clinic is scheduled for Friday, Feb. 17, from 2 to 4 p.m. at the Delta County Building.

Members of the Brotherhood of Railroad Trainmen will hold their annual party Saturday night at the Eagles Club. A buffet dinner will be served at 7 p.m. with dancing to follow at 9 p.m.

Rep. Charles H. Varnum, R-Manistique) announced that the Michigan State Civil Service commission is accepting applications for several state jobs. A deadline of 5 p.m. Feb. 20, has been set. Information about state employment opportunities is available at the local state employment office.

Trenary

Members of the local Boy Scouts troop will attend church services Sunday, Feb. 12 wearing Scout uniforms. Donald Sandstrom Sr., is Scoutmaster. Mr. and Mrs. William Davis and daughter, Alison, have returned from St. Petersburg, Fla., where they visited Mr. and Mrs. Vance Davis and Mr. and Mrs. Jack Pew.

Staff Sgt. Wayne LaLone is stationed in Vietnam with the Air Force. Sgt. LaLone is a jet mechanic with 15 years service.

Mrs. William LaCombe, chairman of the Mothers March of Dimes, announces that \$15,331 was collected in this area during the January Drive.

There will be a Valentine dance at the school Monday, Feb. 13 from 7 to 9:30 p.m.

Mr. and Mrs. Henry Lampi, Warren, Mich., visited Mr. and Mrs. John Savola, Jr., over the weekend.

Mrs. Sam Heath has returned to NMU after visiting her husband in Indianapolis.

The congregation of the to purchase the new revised hymn book. Anyone desiring to purchase a book or to help with this project should contact William Bucholtz.

Religious classes for Methodist and Lutheran students have been changed from Monday to Tuesdays.

The License Bureau at Trenary will be open Saturdays from 11 a.m. to 5 p.m. through March 4.

College Nursing Graduation Set

The School of Practical Nursing of Bay de Noc Community College will hold commencement exercises at the William Oliver Auditorium, Escanaba Junior High School, at 8:00 p.m., Friday, Feb. 17, for its third group of practical nurse students.

The students have completed a one-year course of nurse training with clinical experience at St. Francis Hospital, the Delta - Menominee District Health Dept. in Escanaba, and Pinecrest Medical Care Facility, Powers. This training program is presently on a continuing basis through cooperation of the Michigan Employment Security Commission under the Manpower Development and Training Act of 1962, as amended.

Charles Follo, vice chairman of the College Board of Trustees, will give the welcome and Charles Varnum, State Representative, will bring the commencement address. The public is invited to attend.

Bill Van Effen will participate in the program with presentation of special organ selections.

Charles Varnum

tions. Sue Fletcher will sing "Eye Hath Not Seen" and "Climb Ev'ry Mountain" accompanied by Van Effen.

Dr. Richard L. Rinehart, president of the college, and Mrs. Elizabeth M. Goulaie, R.N., director of the nurse training program, will present certificates of graduation to the following students:

From Escanaba: Judith M. Chenter, Lee F. Deneau, and Carol C. Dube.

Gladstone: Sheryl L. Anderson, Lillian L. Cartwright, Dorothy H. LaBelle, and Eva V. Weber.

Rapid River: Deborah L. Beeck.

Manistique: Helen B. Faulkner and Delores A. Keen.

Gulliver: Judy M. Barry. Garden: Avis A. Bouchard. Sagola: William J. Freedy. Kingsford: Da M. Nelson.

Iron River: Dorothy M. Ma-gray. Stambaugh: Jo Ann Shubert. Vulcan: Lucille M. Smokovitz.

Marquette: Marjorie A. Ward.

Plywood Workers Vote On Contract

GAYLORD (AP) — Members of the striking International Woodworkers of America, AFL-CIO, will vote Friday on a new contract proposal from U. S. Plywood. Details of the offer, hammered out in a session between union-management negotiating teams and a federal mediator, were not made public. The strike, affecting 200 employees, is in its 10th week.

Goat's milk is easier to digest than cow's milk.

NOTICE TO ESCANABA TAXPAYERS

February 15, 1967 is the last day for paying your 1966 County and School taxes without the 4 percent penalty.

Office Hours: 9:00 a.m. to 5:00 p.m. except Saturday and Sunday.

Varnum Gains Promise To Resurface U.S.2

Existing Highway U. S. 2-41 between Gladstone and Rapid River, described by Rep. Charles Varnum (R. Manistiquette) as a "disgrace," is going to be improved.

The Department of State Highways has placed the reconstruction of the 4.6 miles on the agenda for this year at an estimated cost of \$140,000.

The project is not to be confused with the Department's plans for the relocation and four-lane treatment of US-2-41, which has been delayed because of limited finances and will not be undertaken until 1970.

Meanwhile the condition of the surface has deteriorated so badly the Department plans to advertise for bids for reconstruction of the existing route this month, with the improvement to be completed this year.

Urges Action Now
Rep. Varnum reported that he telephoned G. J. McCarthy, chief of design and traffic, Department of State Highways, and inquired about plans for the improvement.

"I told him that I had traveled many miles throughout the 107th District and that the area between Rapid River and Gladstone should be a disgrace not only to the highway Commission but to the entire state of Michigan," Varnum said.

"I told him that I thought it was of the utmost importance that something be done about this stretch of highway before the date of 1970."

"He indicated that he had never been contacted on this particular area but said he would call me back with further information. Later that afternoon he called and said that the Highway Commission does have what it calls an 'emergency fund' and that this project would come under this funding," Rep. Varnum reported.

Blacktop Surfacing
McCarthy in reply expressed appreciation to Varnum for his interest in the proposed highway improvement project.

Varnum was advised that the US-2-41 section between Rapid River and Gladstone is scheduled for reconstruction this year, and that "we hope to have plans ready in time for this project in the March 22 letting" to be held at Escanaba.

"Although our financial situation is extremely critical, the condition of this particular section of US-2 is such as to deserve an extremely high priority for reconstruction," McCarthy reported to Varnum.

The Gladstone-Rapid River section will be resurfaced with blacktop after improvement are made to the base. Some grade raises are included in the project.

The Department is also announcing that contracts have been approved for several railroad crossings and highway work in four Upper Peninsula counties and four downstate. The total cost is \$115,243.

Crossing Jobs

The projects in the U. P. include:
Delta County — An \$8,200 contract with the Soo Line Railroad Co. for installation of flashing light signals at the Soo Line Railroad crossing with US-2 in Rapid River.

Baraga County — A \$10,041 contract with the Soo Line Railroad Co. for installation of flashing light signals at the US-41 and M-35 crossing in L'Anse.

Mackinac County — A \$9,554 contract with the Soo Line Railroad Co. for installation of flashing light signals at the Soo Line Railroad crossing on Cheeseman Rd. near St. Ignace.
Marquette County — An \$11,103 contract with the Soo Line Railroad Co. for installation of flashing light signals at the Soo Line Railroad crossing with M-35 in Negaunee Township.

Library System For Parking Fine

ALBUQUERQUE, N.M. (AP) — An Albuquerque public library employee had the library's system of paying fines applied against her recently in a courtroom.

Mrs. Jesus Flores told Municipal Court Judge James A. Maloney she had forgotten about a \$1 parking ticket she received 82 days ago.

Maloney fined her four cents — the same charged for overdue books at the library — for each day the ticket was unpaid. The ticket plus the fine totaled \$4.32.

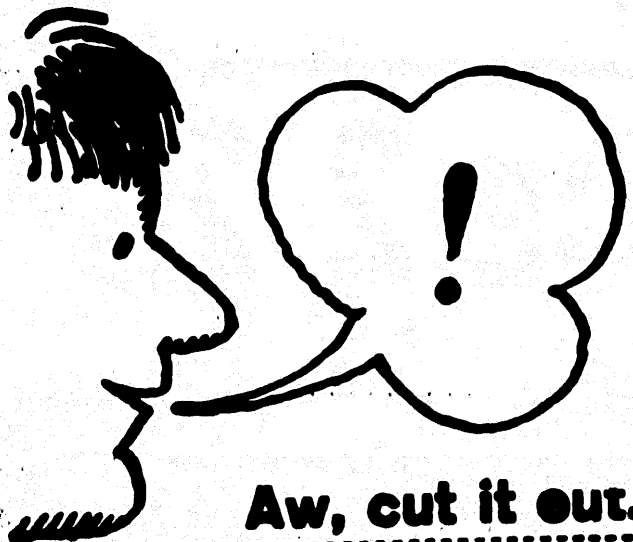

Price To Farmer Is 18 Points Up

LANSING (AP)—The index of prices received by Michigan farmers in mid-January, at 262 per cent of the 1910-14 level, was 18 points above January of a year ago.

The Michigan Crop Reporting Service attributed the increase mainly to higher prices for wholesale milk, onions, corn and apples.

The price index was unchanged from the previous month. Higher prices for meat animals, apples, potatoes and onions offset declines for wheat, wholesale milk and eggs.

PRANTOSH NAG, faculty member of Bay de Noc Community College, last week obtained Ph.D. candidacy after passing the comprehensive oral examination from the University of Minnesota. Prior to joining Bay de Noc, Nag completed course and language requirements and passed the comprehensive written examination. He plans to do his thesis on the influence of education on farm income and productivity, finishing it in about a year and a half.

Seaway Record Set In 1966

DETROIT (AP)—The St. Lawrence Seaway Corp. handed a record 49,349,000 tons of cargo in 1966, Seaway Administrator Joseph H. McCann said Tuesday.

Last year's traffic was 18.5 per cent more than the 1965 total of 41,683,000 tons.

It marked the first time annual tonnage exceeded Tolls Committee expectations announced in 1965. The committee had predicted 48 million tons for 1966.

In previous years, tonnage had fallen as much as 11 million tons below the committee's predictions.

McCann said the 1966 total included 43,761,000 tons of bulk cargo and 5,488,000 tons of general cargo, which totaled 49,249,000 tons in 1966.

At the same time, the Welland Canal handled 39,372,000 tons, 11 per cent over last year's figure, including 4,754,000 tons of general cargo.

Iron Range Group Joins Drive To Spare The Capitol

LANSING (AP)—Historians in the Upper Peninsula's Iron County, nearly 500 miles from the State Capitol Building, have joined a drive to prevent the 86-year-old Capitol from being torn down and replaced.

State officials are studying six alternative plans, ranging from replacing the Capitol to keeping it as an historical landmark and building a new Capitol nearby. Costs would range from \$24.5 million to \$34.5 million.

The present Capitol "is Michigan's most important building, the epitome of our state's heritage," the Iron County Historical and Museum Society at Cassan wrote to Gov. George Romney.

The historians also wrote to Sen. Joseph Mack, D - Ironwood, and Rep. Jack Gingrass, D - Iron Mountain.

Advocates of razing the Capitol argue the building is a fire-trap and would need \$10 million in improvements just to make it safe, without providing additional space needed for state government.

Rock

Water System Meet
A meeting for the Rock Community Water system will be held at the Rock Lions clubhouse on Thursday, Feb. 9, at 7:30 p.m. All interested persons are urged to attend. There will be two speakers on the program, George Leppamaki of Chatham and Jerome Stannard of Ford River.

Class Reunion
The Rock graduating classes of 1946-47 are planning to hold a class reunion July 1 at the Rock Lions clubhouse. Ten members met at the home of Mr. and Mrs. Leo Koski recently and will hold another meeting Feb. 19. The Lyons Orchestra of Brampton will furnish music for dancing. One of the things in common of both classes is the winning of the U. P. Basketball championship in 1946, the first since 1931. George Kulack was the coach. The class of 1957 is planning ten year class reunion on Labor Day weekend.

Record

In 1966, for the first time, annual sales of electricity in the United States exceeded one trillion kilowatt-hours, an increase of almost 9 per cent over the 1965 total.

Women Of Congress Want Exercise Right

WASHINGTON (AP) — One right that lady congressmen want to exercise is the right to exercise.

The problem: There is no women's locker room in the otherwise beautifully appointed House gym — perhaps because there are only 11 women in the House and only a fraction of those are exercise addicts.

Rep. Patsy Mink, a trim Democrat of about 40 from Hawaii, is one who would like the place turned over to the women members for just a few hours a

week. But the men won't let them in.

"Their argument is that there are 424 of them and only 11 of us," she said.

The odds didn't fare Mrs. Mink Monday when she and two other congresswomen made a frontal attack. In the process they jarred gym director Herbert Bots.

Rep. Charlotte Reid, R-Ill., 53, leader of the raid, marched into a gym anteroom with Mrs. Mink and Rep. Catherine May, R-Wash., 52.

With straight faces, they said they were there in response to a letter inviting all members of the House to a new series of calisthenics classes.

Bots hurried them out, explaining they had already penetrated the defenses of the all-male establishment more than was proper.

"The men come out there in various stages of dress to make telephone calls and things," Bots said.

The ladies knew they were off limits but they said it was worth it to keep the pressure on for an "equal time" gym sharing treaty.

"We were trying to make a point," said Mrs. Mink.

"We really felt sorry for the poor man," Mrs. Reid said, "but when we heard about that letter we couldn't resist it."

Ford Truck Sales High For March

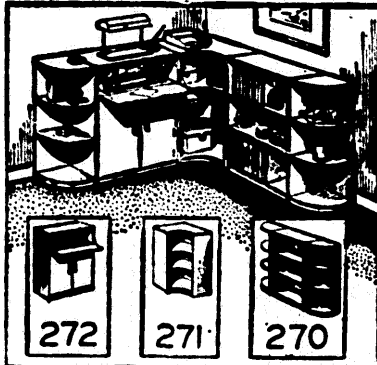

NEW YORK (AP) — Sales of Ford Motor Co.'s truck division during January totaled 44,574 — highest in division history for the month — Donald N. Frey, division manager, announced Wednesday.

The previous January high was 41,965 set last year, Frey said.

He added that Ford truck sales for the first four months of the 1967 model year were up 8 per cent over 1966.

Anti-War Fast

ROCHESTER (AP) — Some 30 Oakland University students began a two-day protest fast over the Vietnam War Wednesday night, vowing to exist on soft drinks and tea. Michael Honey, 19, of Williamston, said: "We'll attend classes as usual, but curtail all extra-curricular activity during the two days."

GRACEFUL SHELVES to fit your space are made in three units. Pattern 270 gives full directions and lists materials for a center section of any length desired and includes actual — size guides for the curved sections. This pattern is 35c. It is also in the Complete Living Room Packet No. 20 which gives patterns for shelves, tables, chairs, sofa and lamps for \$1. ESCANABA DAILY PRESS Pattern Dept. P.O. Box 50 New Windsor, N.Y. 12550

NATIONS IN ARMS

THE UNITED STATES now has the largest regular armed force in the world, having passed the Soviet Union in total manpower at the close of 1966. The current U.S. Army-Air Force-Navy total is 484,000 higher than a year ago, according to Pentagon figures. Soviet military forces are reported to have shown a "very slight" increase during the same period. Red China, ranking third in combined military manpower, still has the largest army — 2.25 million men at last report. Most of the U.S. buildup has been in the Army, scheduled to go from 1 million men in 1966 to 1.5 million if Congress approves President Johnson's budget message request for increasing the armed forces to 3,464,000 by June 1968.

Tasmania Fire Toll Still Rises

HOBART, Tasmania (AP) — The death toll in Tasmania's disastrous bush and forest fires could reach at least 100, a senior police officer said today as flames roared out of the bush again to threaten more towns.

Police, firemen and 50 prisoners released from Hobart's jail were rushed to the orchard country at Huonville, 20 miles south of the island state's capital, where a northwest wind was pushing the fire toward houses.

Fifty more prisoners were trucked to the Bagdad area, 30 miles north of Hobart, where another blaze threatened to break from the bushland.

The confirmed toll so far was 40 dead, hundreds hurt and 3,500 homeless. The senior police officer said it might take a week to get an accurate count of the dead.

Eight towns were reported wiped out. Among 700 buildings destroyed were 650 houses. The others included hotels, schools, offices and factories.

"This has set the state back 10 years," Premier Eric Reece said.

"We're in a real mess. For God's sake, we need help desperately."

Alvin Bentley Has Surgery

ANN ARBOR (AP) — Former Republican Congressman Alvin Bentley was reported in good condition here following surgery at the University of Michigan Hospital.

Doctors said they expect Bentley, a member of the university's Board of Regents, will remain in the hospital about two weeks and then convalesce at home in Owosso, Mich. His ailment was not disclosed.

Classmates Raise Scholarship Fund Honoring Chaffee

GRAND RAPIDS (AP) — A memorial scholarship fund in honor of the late astronaut Roger B. Chaffee has been established by members of his high school class.

Members of the class of 1953 at Central High School started the fund, designed to provide financial assistance for a de-

serving Kent County engineering student, with \$250.

Chaffee was killed Jan. 27 when a flash fire swept through his Apollo spacecraft during a practice mission at Cape Kennedy. Also killed were astronauts Virgil I. Grissom and Edward White.

Chaffee's parents, Mr. and Mrs. Donald Chaffee of suburban Wyoming, will advise the fund committee.

Vaccination dates back to 1796.

Smallpox Vaccine Draws Crowds In Ghana Exposition

ACCRA, Ghana (AP) — The most popular free sample at Ghana's first international trade fair is a jet-injected dose of smallpox vaccine from the United States.

By the end of the fair's first week Tuesday, 30,000 persons had filed into the American exhibit's geodesic dome, bared

their right arms and taken a relatively painless jab from a portable hydraulic-powered hypodermic. Children under 4 also get measles inoculations — but with less good nature and more tears.

Most tots ride into the dome on their mothers' backs.

"Some persons stand in line without even being sure why they are standing there," said Dr. Bernard Chalmers of Brooklyn, N.Y., and the U.S. Public Health Service.

Thank You Folks!

The excellent turnout we had at our Presque Isle Station in Marquette during the past weekend was most gratifying.

We take this opportunity to thank our many customers and friends, including the children throughout the region for helping us to make the dedication of our new No. 4 Generating Unit, now in operation, an overwhelming success.

IT WAS A REAL PLEASURE HAVING YOU WITH US!

Few Husbands Would Take Place Of Wife

By HAL BOYLE

NEW YORK (AP) — Why is it so many women today say they would like to be men but so few men say they would like to be women?

When a woman remarks that, if she were reborn, she would prefer to be male, she is expressing a real desire, an actual envy.

But when a man expresses a supposed yearning to be reborn as a woman, he is only kidding.

He is probably one of those uncouth husbands who have a fixed idea that women live an easy life. He thinks that, after sending their husbands off to work with a pat on the back and a peck on the cheek, wives just sit on the sofa with their feet on the cocktail table and sip coffee and gossip until noon.

However, whether wives really do or not live the life of Mrs. Riley, few husbands would be willing to change places with them.

In his heart of hearts the average man feels sorry for the other sex. He rather wonders how women can stand being women. He is silently grateful that he is not one of them—and never will be.

Why not?

Serfdom In Skirts

Well, he realizes that despite women's quest for equal rights, they still dwell in a world in which their real freedoms are ruthlessly rationed. A woman can't even scratch herself in public without becoming an object of immediate criticism and the verdict, "She's no lady."

That goal—the desire to act like and be treated like a lady—still makes of womanhood a serfdom in skirts.

A man can act directly in almost any situation. He lives in a clearcut world of "yes" or "no."

But a woman must achieve most of her aims by indirection, and dwells in a world made up of "maybes."

At a party, though she is dying of pneumonia and a buzzard is sweeping through an open window, she cannot rise and shut it. At the most she can but inquire meekly, "Does anyone feel a draft?"

As a result of this kind of feminine talk, men have the idea that they are honest and women are hypocritical. They don't realize that women aren't born hypocrites; women become hypocrites to please men who want them to be ladylike.

Always Self Aware

The real reason men prefer to be men is that they can escape the prisonship of themselves. They can forget their own identity in their work. A woman rarely can. She is always and eternally self-aware.

A man can get up, shower, shave and dress and be on his way in a few minutes.

Not a woman. Every part of her requires her brooding close attention. She must do her fingernails, anoint her body, roll on a deodorant, slap on rouge and lipstick, gird up her girdle, put perfume behind her ears, brush goo on her eyelids, and spray something on her hair that will make it look and feel like wire.

She is never through doing some kind of salvage operation on herself. All day long she must keep peeking into a mirror to be sure she is still there—the real her.

And that's why no man really wants to be a woman. He can't stand the thought of being that much of a nuisance to himself. And he wonders why women don't seem to mind it at all. They actually seem to enjoy being a nuisance to themselves.

Vet Homestead Bill In Senate

LANSING (AP)—A Republican-sponsored bill to boost veterans' property tax exemptions in line with Gov. George Romney's recommendations was introduced Wednesday in the Senate.

The measure is sponsored by Sen. Harry DeMaso, R-Battle Creek. It is similar to a bill introduced in the House by Rep. Stanley Powell, R-Ionia.

It would do away with the flat \$2,000 property tax exemption for veterans and their widows and would amend the general property tax act to grant exemptions based on degree of disability.

A veteran with a 90 to 100 per cent service-connected disability or his widow and the widows of veterans dying in service would receive an exemption of \$4,500 — highest possible.

House Mailman

LANSING (AP)—Appointment of Brenford Giller, 31, of Lansing, as postmaster of the House of Representatives has been announced by House Speaker Robert Wadsworth, R-Grosse Pointe. Giller, a former Ingham County deputy sheriff, will be responsible for distribution of mail for the entire House.

Geologist Says Glaciers Help Predict Weather

EAST LANSING (AP) — A geologist says glaciers eventually will help man predict climate centuries ahead — and his glacier-based prediction is that winters like this snowy season will pass in 40 to 45 years.

Dr. Maynard M. Miller of Michigan State University has found that the advance and retreat of Alaska's ice masses indicate changes in the activity of sunspots — the signs of powerful electrical energy discharges from the sun.

"We now feel confident that our investigations back up the solar-climate theory of weather cycles," the geologist says in the February issue of National Geographic Magazine.

He says, "Glaciers are among the most delicate recorders of climate change, and Alaska's coast-and-mountain landscape is one of the earth's most climatologically sensitive."

Since 1915, Miller said, solar activity in the form of sunspots has risen to very high levels and the American climate thus has been generally warm and dry.

But, he adds, if the up-and-down pattern continues as it has in the past, solar activity will diminish for the next 40 to 45 years.

DR. MAYNARD M. MILLER of Michigan State University says glaciers eventually will help man predict climate centuries ahead. Here, he is shown at work on Alaska's Mendall Glacier. (AP Wirephoto)

The result: "Lower temperatures and heavier snowfall to the northern states, with northward shifts of continental storm tracks producing lighter snow in most southern states."

Father-Son Fly In Coast Guard

NEW YORK (AP) — When Steve Goldhammer was 11 years old, he used to watch his father, a Coast Guard pilot, flying around in a helicopter.

"We always lived near the base and he used to fly over the house and wave," Steve recalls. "Everytime he flew over I wished I was up there."

Ensign Steve Goldhammer, now 22, is up there these days flying with his father, Lt. Cmdr. Walter R. Goldhammer, 47, among several other pilots.

Cmdr. Goldhammer says he believes he and Steve are the only father and son on active flight duty in the Coast Guard.

The father has 27 years service. The son won his wings and ensign's bars Jan. 20, a day after he turned 22.

"It was a good birthday present for me," Steve said today. The Goldhammers are based at Floyd Bennett Field in Brooklyn. They live in the New York suburb of East Meadow on Long Island.

Miller says this apparently explains in part southern Michigan's unusually heavy snowfall so far this winter. He predicts fewer storms, but possibly quite severe ones, in the future.

Yeager Will Chair GOP Convention

LANSING (AP) — Weldon O. Yeager of Detroit will serve as temporary chairman of the Republican State Convention Feb. 25 in Detroit's Cobo Hall, the GOP State Central Committee announces.

Yeager, named by Gov. George Romney to direct the State Workmen's Compensation Department in 1963, is chairman of the party's 17th Congressional District Committee.

Drug Immune Malaria Strain Sweeps Vietnam

SAN FRANCISCO (AP) — A strain of malaria immune to available drugs is sweeping through Vietnam and has struck more than 10,000 Americans there in less than two years, according to a report by a Navy research team.

Slow-flying planes have been spraying over friendly Vietnamese territory in an effort to kill the larvae of the mosquitoes that carry the parasitic disease, the report said Monday.

Because slow planes would be shot down over enemy territory, special spray rigs for jets are being developed at the Alameda Naval Air Station in California. This would lead to a measure of mosquito control in Viet Cong territory that perhaps would later be taken over by friendly forces.

The report said that most of the 517 cases of imported malaria in the United States last year came from Vietnam, that it has reached Guam and is moving through South Vietnam.

In Service

Allan Raymond, son of Mr. and Mrs. Fred Raymond, 324 S. 18th St., Escanaba, was promoted from Airman 3rd Class to Airman 2nd Class while serving at Malmstrom Air Force Base, Mont. He is a member of the 341st Civil Defense Squadron, a guided missile unit. Raymond, 20, was one of three airmen from the squadron to qualify for a special driver training school to learn transportation techniques for missiles. He is a 1965 graduate of Holy Name High School.

Biggest

During 1966, the nation's electric power companies bought an estimated 228 million tons of coal, more than any other industry. Nearly half of all the coal consumed in the United States is used by electric utility systems to generate electric power. A large portion of the coal purchased was from the Appalachia region.

No Fish Caught In 10 Years At Ice Derby Site

COTTONWOOD, Minn. (AP) — An ice fishing derby has been scheduled for Sunday at Cottonwood Lake, where no fish has been reported caught in the past 10 years.

Bror Anderson, president of the Lions Club, which arranged the event, said Tuesday expenses will be held down by not drilling holes in the ice.

In case of bad weather, Anderson added, the contest will be moved indoors.

A lie detector will be provided and Anderson said anyone showing up with a fish will be suspect.

Cottonwood Lake is at the north edge of this southwestern Minnesota community.

Rapid River

Rev. and Mrs. George Olson and children, Clark, Kathy, and Jim of Rapid River have returned to their home after a week's vacation visiting relatives in Joliet, Ill. During the stay, Rev. Olson attended the mid-winter convocation of the Lutheran School of Theology on the Rock Island, Ill. campus.

Mrs. Elizabeth Barboe of Rapid River has suffered a stroke and is a patient at St. Francis Hospital.

Hugh Harris of Rapid River, while vacationing in Florida, suffered a boating accident, breaking his leg in several places.

Sledding Party

Rapid River Congregational Sunday School sledding party will be held Saturday, Feb. 11 at the Whitefish Pipeline Hill. Everyone is asked to meet at 1 p.m. at the church. Nursery age children must be accompanied by their parents. After the outdoor activity, refreshments will be served in the parish hall. Rev. Philip C. Meili is attending a Michigan Conference Board meeting of the United Church of Christ in East Lansing. He will return to Rapid River today.

N Vietnamese Hope US Will Liberate Them

NEW YORK (AP)—A former Canadian diplomat says that, while he was serving in Hanoi, many North Vietnamese told him they hoped the United States would "liberate" them from the "tyranny and oppression" of their government.

The diplomat, Theodore B. Blockley, was an officer of the International Control Commission for Vietnam, Laos and Cambodia.

Writing in the magazine, Modern Age, he reports:

Rosary Society To Hold Bake Sale Saturday

BARK RIVER — Two new flags, the United States flag and the Papal flag, have been purchased by St. George Rosary Society and at the meeting held Monday night in the parish hall, Rev. Thomas P. Dunleavy explained the symbols used on the papal flag.

Mrs. Joseph Grzybowski, Sr., announced that plans for the bake sale to be held Saturday, Feb. 11, at Adams Grocery, from 10 to 2 p.m., have been completed and all the circle chairmen have been contacted.

Mrs. Stanley Kwarcianny expressed the thanks of the society to St. Agnes Circle and its chairman, Mrs. Antone Polcik, who functioned during January. Mrs. Lionel Peltier is chairman of Our Lady of Fatima Circle for the month of February.

Announcement was made of the annual Marquette Diocesan Council of Catholic Women Convention which will be held this year in Escanaba on April 1 and 2. Mrs. Henry King, Escanaba Deaneary president, is chairman of the convention plans.

The Rosary Society will sponsor a religious store for First Holy Communion which will be on Laetare Sunday, March 5. There are fifty-eight paid members in the society. Mrs. Lawrence Knaut is chairman of coupon collection.

The meeting was preceded by a pot luck supper. Immediately following the meeting members were shown the stained glass window designs by members of the committee. The door prize was awarded to Mrs. L. R. Nelson.

Travel Show

MILWAUKEE — The 27th annual Milwaukee Sentinel Sports, Boat and Travel Show, largest show annually in Milwaukee's twin exposition buildings, the Arena and Auditorium, will be held from Friday, March 10, through Sunday, March 12.

Rock

There will be a demonstration of nationally advertised home care products at the John Small residence in Rock on Saturday, Feb. 11, starting at 1:15 p.m. A technical advisor will be on hand to prove the efficiency of organic concentrates, not only in cleaning, but also in conservation of water and efficiency in sewage disposal. This meeting is open to the public, and all interested persons are invited to attend.

Mr. and Mrs. Herb Westlund left Tuesday for a two month vacation in Florida. They will travel through Florida, visiting Rock and former Rock residents and friends.

"Many of the North Vietnamese whom I met expressed the hope that one day the Americans would 'again' liberate them from tyranny and oppression. The previous liberation, in their minds, was from the Japanese."

(Japanese armies occupied Vietnam and the rest of Indochina during World War II.)

The control commission was set up under the 1954 Geneva agreement that ended the fighting between the French and Vietnamese. It has three delegations—Indian, Canadian and Polish. Its function is to see to it that both South and North Vietnam comply with the terms of the 1954 agreement.

The control commission not only was impotent but a "fraud," said Blockley, writing of his experience with the commission.

The word, "control," he writes, "was the height of irony—the commission had no control over anything, not even its own transport."

As early as 1957, the diplomat said, he reported to his government about "the mounting intensity of North Vietnamese sabotage, subversion and guerrilla operations in South Vietnam, and the apparent inability of the commission to inhibit this attack."

Isabella

Miss Olive McClinchy entertained at her home Tuesday evening in honor of Miss Keiko Ono of Japan. Guests were Gloria Leault, Susan Pomeroy, Gail Pomeroy, Kathy Groleau and Mary Labadie. Games were played followed by lunch. Miss McClinchy was assisted by her mother.

Miss Shelia Wilson, daughter of Mr. and Mrs. Kenneth Wilson of Manistique and Gary Larson, son of Mrs. Emily Larson were married Saturday at the Zion Lutheran Church in Manistique with Rev. Inmar Levin officiating. Attendants were Mr. and Mrs. Wallace Nelson. A reception was held at the home of Mrs. Emily Larson for immediate members of the families.

Mrs. Francis Nedean is a patient at St. Francis Hospital. Mr. and Mrs. Ralph Morrison of Sault Ste. Marie spent the weekend in Isabella.

A PTA card party was held Saturday evening at the home of Mrs. Homer Turek.

Mrs. Ed Olson has received word of the death of her brother-in-law, Cleo Lybarger, 59, of Chicago. He suffered a heart attack. Mrs. Lybarger is the former Natalie Snow of Isabella.

Pancake Supper

The Men's Fellowship of the Escanaba First Methodist Church will meet for a pancake supper at 6:30 p.m. on Monday, Feb. 13 in the Fellowship Room of the church. Donald Ness and Milton Embs will be in charge of the supper.

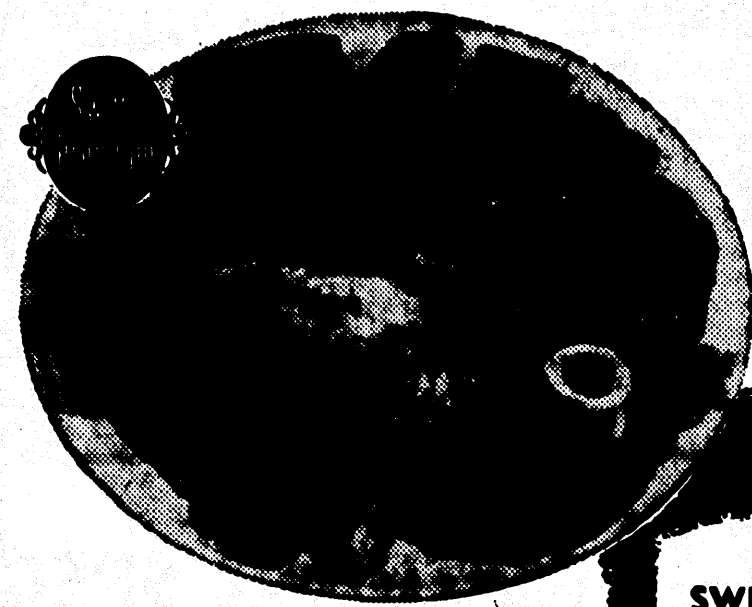

The program will include a filmstrip on the major Christian Churches (denominations). All men are cordially invited to attend.

On Dean's List

PERU, Neb.—Sixty-two students at Peru State College have been named to the Dean's Honor Roll for the fall semester, 1966-67, according to Dr. Keith L. Melvin, dean of the college. They include: Sophomores — Gary Ahlin, Bark River, Mich.

Cornell 4-H Club Plans For Local Achievement Day

The regular monthly meeting of the Cornell Tots and Teens 4-H club was held at the town hall on Monday evening. President, Irma Woodard, called the meeting to order and various reports were given.

New business discussed was the 4-H Fun Fair to be held in Gladstone on Sunday, Feb. 12 from 2 to 5 p.m. The Cornell Club will have a candy booth. All families are asked to please donate candy for the sale. Members not attending the fair are to leave the candy at Dishno's Grocery. Volunteers working in the booth will be Debbie Scheuren, Shirley, Betty, and Mary Lippens, Linda Carlson and Mary Jo Dahl. Melissa Rose and Irma Woodard will work in the Junior Leader booth.

The date of March 20 was set for local achievement day to be held at the town hall. All projects must be completed at that time. County achievement will be April 1.

The junior leaders, will continue the cancer program this year. Work will commence as soon as materials arrive. Sewing meetings will be held every Monday after school for all girls enrolled in sewing. Meeting was adjourned and recreation followed.

MR. AND MRS. William Webber of Rte. 1, Carney announce the engagement of their daughter, Betty Jean, to Victor E. Fiedorowicz, son of Mr. and Mrs. Vincent Fiedorowicz of Crivitz, Wis. Miss Webber was graduated from Powers-Spalding High School and is employed at St. Joseph-Lloyd Hospital. Her fiancé graduated from Coleman High School and is presently employed by the Lloyd Manufacturing Company. A late summer wedding is being planned.

Council Deacons Installed At Christ The King

Newly elected deacons were installed as members of the church council of Christ the King Lutheran Church this past Sunday. They are: Eino Anderson, James Anderson, Ed Brinker, Rudolph Block, Russell Johnson, and Charles VanDeWeghe.

Other Deacons remaining on the church council are: Donald Anderson, Leslie Carlson, Rudolph Gustafson, Delbert Irving, Norman Larson, Robert Lodeen, John Martinen, H. George Nelson, Walter Olson, Arnold Ottensmeyer, Joseph Royer and Kenneth West.

Deacons who have retired from the council are: John Anderson, John Chylek, Ed Carlson, Allen Hendrickson, Ray Posa and Walter Suomi.

At the recent annual meeting of Christ the King Lutheran Church the congregation adopted an "Operational Budget," of \$23,000.00 with an additional \$18,000.00 pledged toward the new church building fund or a total budget of \$41,000.00. During the year 1966 a total income of \$37,338.00 was received.

For 1967 the Church Council accepted its full share of the Wisconsin-Supper Michigan Synod Benevolence apportionment in the amount of \$5,630.00 with an additional \$3,000.00 remaining to be paid for 1967-68 toward the new LCA School of Theology at Chicago and the new Lutheran Social Services Building at Milwaukee.

The new church building fund has a total of \$47,768.00 invested in LCA Mission Development Certificates as of Feb. 1, 1967. Membership stands at 536 baptized and 355 confirmed members.

The congregation plans to begin building a new worship and educational unit this spring at its present site on the northside. It is scheduled for completion by January or February of 1968. Rev. Erlend E. Carlson is pastor of the church.

THE ENGAGEMENT of Miss Marianne Borden to SP5 Emmet J. Quantz is being announced. The bride-elect is the daughter of Mr. and Mrs. Charles Borden of 1301 Dakota Ave., Gladstone. Her fiancé is the son of Mrs. Edna Quantz, 348 E. Michigan Ave., Marquette and the late William Quantz. A December wedding is planned. (Lee's Studio)

THE FORMER Miss June Marie Boudreau became the bride of Phillip J. Racine during a double ring ceremony performed Saturday, Feb. 4 at St. Anne's Church in Escanaba. Parents of the couple are Mr. and Mrs. Leonard Racine and Octave Boudreau of Escanaba. The newlyweds are making their home at 1728 S. Washington Ave., Lansing, Mich. (Gordon Nelson Photo)

Port Allen Newlyweds Receive Annual Dowry

PORT ALLEN, La. (AP) — Dowries may be out of fashion but in this small city across the Mississippi River from Baton Rouge, newlyweds expect them.

The Parish (County) Police Jury, the governing body, Wednesday approved routinely the distribution of its annual dowries to couples who were married here last year.

Already, the 40 couples were planning what to do with the \$85 they each will receive soon. Some planned to pay off bills, others wanted to buy new clothes or an appliance.

"I think it's a wonderful idea," said Mrs. Joseph C. Cazes Jr., 44, who was married Dec. 16. "I think dowries should definitely be brought back."

It started 143 years ago when Julien de Lalande Poydras had \$30,000 set aside in his will for dowries to couples in the parish. Legend has it that Poydras did it because his beloved couldn't marry him for lack of a dowry. The police jury has been faithful in keeping tradition, investing the money and using the interest to pay annual dowries to couples who married the previous year. The fund has grown to \$60,000.

Few of the recipients know of the Poydras legend but most edge of cupcakes before removing them from their pans.

they're entitled to the money. One housewife complained that she missed out 15 years ago because her husband didn't apply.

It's a pleasant duty for the police jurors. While at one time there were more restrictions, the only requirements now are marriage in the previous year, five years' residency in the parish, and making application with the clerk of court.

A nearby parish, Pointe Coupee, also was given money for the same purpose but it is now gone. "They used it to construct a new school," said Howard LaBauvre Jr., secretary of the police jury.

Study Club Meeting Held

The County Line Home and Study Club met at the home of Mrs. Albert Whybrew Monday evening for its regular meeting.

Lessons, "Meals with Meaning," and "Tailoring Techniques," were presented by Mrs. Whybrew. The next meeting will be held at the home of Mrs. Neil Haapala.

Run a small spatula round the edge of cupcakes before removing them from their pans.

Altrusa Club Meets Monday

The Escanaba Altrusa Club will hold a dinner and program meeting at the Stonehouse on Monday, Feb. 13 at 6:30 p.m. Guest speaker will be Mrs. Ben Sandefur who will present a slide program and talk on her experiences in Indonesia.

Mrs. Melba Coan of the Import Shop and Mrs. Sandefur will have a display of arts and crafts from the Far East. Members of Altrusa Club may bring guests to the meeting.

Legion Auxiliary Dinner Sunday

The American Legion Auxiliary, Cliverland Post 82 held their regular meeting Feb. 6 at the legion clubrooms.

Mrs. Oliver Gifford reported on the mid-winter conference which was held in Gladstone Jan. 20-21-22. Plans were completed for the smorgasboard to be held Feb. 12 from 4 to 6 p.m. Tickets will be available at the door.

Following the meeting a Valentine party was held with Mrs. Nancy Petry, social chairman, assisted by the Mesdames, Edith Pearson, Olive Bartley, Emma Bowden, Alice Des Rochers, Stella Duffin, Leone Fisher, Lillian Greis and Ursula Kulik. The door prize was awarded to Mrs. Alice Des Rochers. The next meeting will be held March 6 and Mrs. Grace Mazzali will be social chairman.

Subway Proposal

TORONTO (AP) — Donald Phillips was deeply in love with Leticia Sanchez, but his 20-year-old sweetheart from Saltillo, Mexico, wouldn't accept him.

Donald, 22 and a student at Ryerson Polytechnical Institute, strung a 25-foot sign between two broom handles near a subway exit Wednesday and waited for his girl to emerge on her way to her Toronto home.

The sign, in Spanish, said: "Leticia-Will you marry me?" She came out, took his flowers and his ring, kissed him several times while subway patrons gaped, but still didn't say yes.

But later she told newsmen: "Of course, I am going to say yes."

Births

PAVLOSKI — Mr. and Mrs. Donald Pavloski of 819 Montana Ave., Gladstone, are the parents of a daughter, born Feb. 3 at St. Francis Hospital. The infant arrived at 7 p.m. and weighed 7 pounds and 2 ounces. She has been named Jackie Kay. The mother is the former Marilyn Frieden.

Galanos Designs For The Undecided Woman

NEW YORK (AP) — Styles for decidedly indecisive women were introduced Wednesday by James Galanos who waited until Paris had its say before showing his spring collection.

His models strutted in some of the world's most expensive fashion vacillations, all perfect for the woman undecided whether to act her age or her daughter's; keep her modest or hike them high; or whether to wear skirts or the pants; be tough chic or real girl; an angel or a siren.

Organdy baby bonnets, some ruffled, some plain, tied under the chin of big dolls who wore costumes that seemed to have shrunk.

The silhouette included narrow shoulders, a fitted minibus with full bell pieces breaking at a high waistline in back, front and on the side and stopping about six inches short of the knees.

The show opened on an even higher note with hemlines at the neckline on bright jersey culotte suits with bright bands, much like high school gym suits.

Later the jersey was switched for blousy, fluttery chiffons with the same pants skirt and high hemline.

If that was not enough of a hemline choice, there were evening chiffons, short on one

side, to the floor on the other; or with up-and-down handkerchief point skirts.

There were more sideways scissoring for women unable to make up their minds whether to be sleeved or sleeveless. Models appeared in chiffons or silks with one shoulder bare, the other covered like a capitan.

Sometimes the dilemma of a high or low neckline was resolved with a turtleneck cut away at the shoulder line to expose part of the breast bone.

Board Plans Better U.P. Fair Program

An Upper Peninsula State Fair program geared to the wishes of the people and dedicated to the best interests of the region was finalized by the Fair Board of Managers meeting in Escanaba on Wednesday.

"There will be more emphasis on agriculture, on youth, industry and education," said Cliff Perras, Fair secretary-manager.

The Fair Board of Managers and Perras met with officials of the Michigan Department of Agriculture and with 4-H Club agents at the U. P. Fair office throughout the afternoon and evening.

Mrs. Ruth G. Butler of Houghton is chairman of the Board. All members of the Board were present, including a new member, Albert Lindberg, resort operator and township supervisor of Hessel in Mackinac County.

Seek Building

Other members, representing all sections of the U. P., include August A. Hokens of Ewen, Frank Bender Jr. of Soo Hill and Henry Wender of Iron Mountain.

This is the second year that the Fair has operated under the Michigan Department of Agriculture, placed there in state reorganization.

Representing the Department at the meeting of the Fair Board were Dr. Ralph Morrow, Lansing, deputy director, and William Ward, personnel director of the Department.

One of the major objectives of the Fair Board is the replacement with a new exhibition building of the present old structure, which is inadequate in size and has had the second floor condemned.

"Plans for the new building are going forward and it is

Need Schoolhouse

Remember the little old red schoolhouse?

The U. P. State Fair would like to have one to move on to the Fairgrounds, where educational exhibits could be housed, said Cliff Perras, secretary-manager of the Fair.

Persons knowing where such a building could be obtained in the Upper Peninsula are asked to contact Perras at the U. P. State Fair Office in Escanaba.

our hope that it can be constructed and ready for the 1968 fair," said Perras.

Dates Aug. 15-20

The Board took under advisement a resolution from the Escanaba City Council expressing interest in the project from a community standpoint.

"We are working with leaders in agriculture and industry and education to determine the needs of agriculture in planning for the new building, and these we are reporting to the Building Division of the State," Perras said.

The dates for the 1967 U. P. State Fair have been set for Aug. 15-20 inclusive.

There will be some major changes in the Fair program to assure the public getting full value and making the Fair more enjoyable for young and old.

Exhibitors will, for example, be permitted to bring their exhibits to the Fair for admission on Sunday. This is for those who are employed on Monday and would find it difficult to be at the Fair on that day.

Free Features

Also, beginning on Sunday, Aug. 13, there will be a program of stock car races.

There will be a free gate all day Monday, Aug. 14, as more exhibits are received on entry day; and on Monday night there will be a top RCA attraction, a professional rodeo competitive show.

Tuesday, Aug. 15, will be School Safety Patrol Day when

Flights Canceled

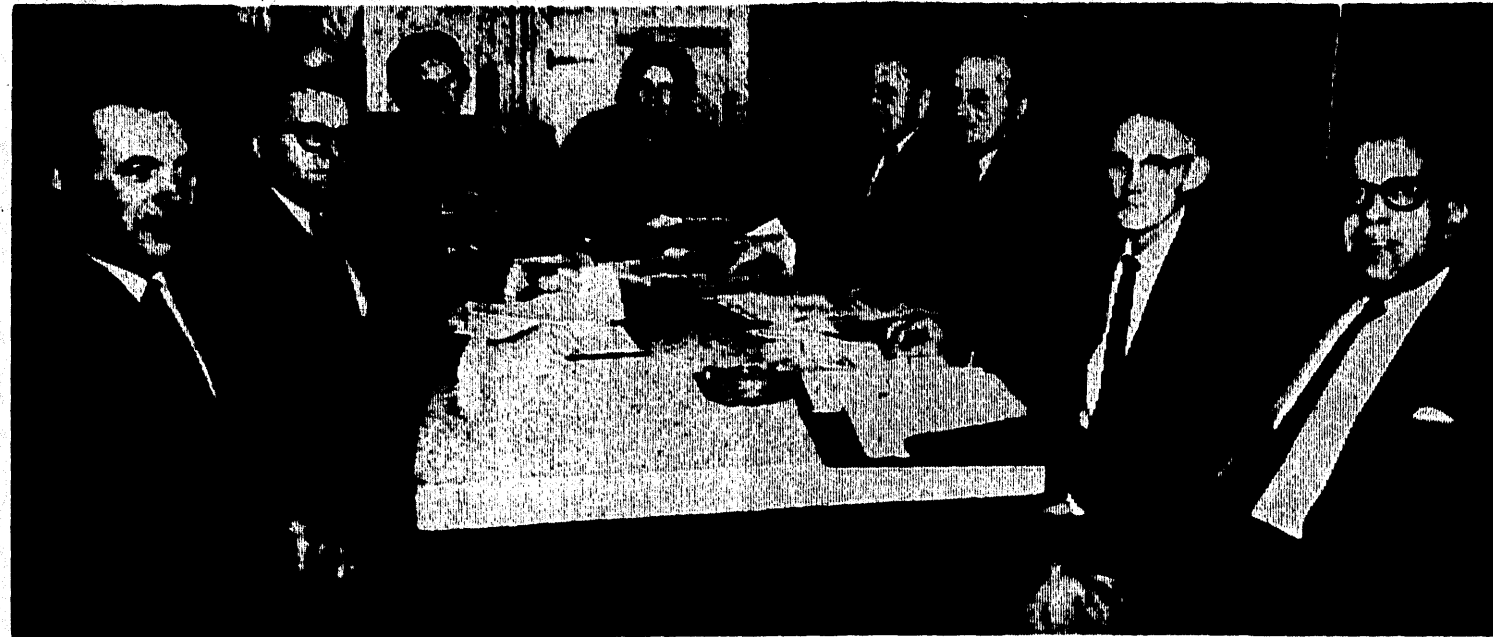

LONDON (AP) — British Overseas Airways Corporation said today it has canceled 96 flights scheduled between April and June because a shortage of skilled engineers is holding up winter overhaul of its planes. Most of the flights were between London and New York.

Hold 4 In Killing

DETROIT (AP)—Four youths were held without bond Wednesday for trial on charges they killed Joseph O. Wasilewski, 50, in his Detroit drugstore Jan. 23.

Chicago Prices

BUTTER & EGGS
CHICAGO (AP) — Chicago Mercantile Exchange — Butter steady; wholesale buying prices unchanged; 88 score AA 66; 82 A 64; 80 B 63 1/4; 80 C 61 1/4; cars 80 B 64; 80 C 62 1/4.
Eggs unmodified; wholesale buying prices unchanged to 1/4 lower; 70 per cent or better Grade A Whites 39 1/2; mixed 32; medium 28; standards 26; chills 24.

A WORKING SESSION of the U. P. State Fair Board was held in Escanaba at the Fair office Wednesday. Pictured (from left) are William Ward, personnel director, Department of Agriculture, Lansing; Albert Lindberg, Hessel, Fair Board; Dr. Ralph Morrow, deputy director, Department of Agriculture, Lansing; Alyce Turnquist, secretary to Fair

manager; Mrs. Ruth Butler, Houghton, Fair Board chairman; Frank Bender Jr., Soo Hill, vice chairman; Henry Wender, Board member, Iron Mountain; August Hokens, Board member, Ewen; and Cliff Perras, Fair secretary-manager. (Daily Press Photo)

boys and girls of the U. P. engaged in traffic safety work at their schools will be guests of the Fair in a program sponsored by the State Police and the Michigan Automobile Club. The rodeo will be presented in the afternoon at reduced prices. Admission charge to the Fair will be 50 cents for adults, the same as last year. This charge will go into effect on Tuesday.

Wednesday will be Queens Day, when the leading beauty of the region will be chosen to reign at the Fair. An ice revue is scheduled afternoon and evening in front of the grandstand.

Veterans Day
Country and western themes will highlight the Thursday program, and the afternoon and evening show will feature Connie Smith and her troupe.

Friday is traditional Governor's Day. There will also be the opportunity to highlight education through the appearance of the Northern Michigan University Camp Band, whose members are selected in regional competition.

Veterans Day will be on Saturday, when the top dozen or so drum and bugle corps will perform in downtown Escanaba and in front of the grandstand in the afternoon. There will also be a horse show in the afternoon and a program of stock car races in the evening.

Sunday will feature stock car races in the afternoon and a thrill show at night, ending the Fair Week program.

A free feature at the Fair this year will be the square dance events to which all Square Dance Clubs and individuals are invited. This will be each evening Friday through Sunday and the callers will be professionals.

For the more modern dances fans there is hoped to be entertainment by several "com-bos" from around the Peninsula.

The Fair Board directed the secretary-manager to survey and determine whether horse pulling might be successfully restored to the Fair. The competition would have to be limited to Michigan horses.

Indira Gandhi Hit By Stone

NEW DELHI, India (AP) — Prime Minister Indira Gandhi returned to New Delhi today and like any other woman refused to be photographed with the facial injuries inflicted on her by a stone-throwing heckler.

As she stepped from her plane, Mrs. Gandhi drew the loose end of her sari around her face and head so that little more than her eyes showed.

"If you want to take a picture of me," she told newsmen, "you will have to take one of me as a lady in Purdah."

Purdah is a practice among Muslims and some Hindus of secluding women from public observation.

Mrs. Gandhi had bandages over her nose and upper lip where a stone hit her Wednesday during a campaign meeting in Bhubaneswar, an industrial center in eastern Orissa State.

The stone cracked a bone in her nose, loosed a tooth and bruised her lip, but she continued her campaign schedule and made a speech today in Patna, capital of drought-stricken Bihar State.

"I am as tough as I ever was," she told newsmen in New Delhi.

Cardinal Copello, 87, Dies In Rome

ROME (AP) — Santiago Luis Cardinal Copello, the Argentine chancellor of the Roman Catholic Church, died in a Rome hospital today. He was 87.

The cardinal fell ill with influenza last week and pneumonia developed. He suffered a heart attack Wednesday night and was taken from his residence in downtown Rome to a clinic.

His death reduced the College of Cardinals to 95. Pietro Cardinal Ciriaci of Italy died Dec. 30.

Cardinal Copello headed the apostolic chancery at the Vatican, which issues letters of canonization and papal bulls on appointments, new dioceses and other administrative decrees.

Briefly Told

Escanaba Police are investigating a breaking and entering at Marrier Music, 701 Ludington St., sometime last night. Police said entry was gained by prying a door. A small amount of cash was stolen, police said.

Half Million In Art Recovered As Police Kill Thug

RENO, Nev. (AP) — A hail of police bullets Wednesday night ended the life of notorious Reno area hoodlum James Burton Ing as he hauled loot from a December art theft police said could reach \$500,000 in value.

A posse recovered 20 paintings and boxes from Ing's car, put it all in a room and sealed it from newsmen. Police said they expected to recover all of the booty.

Ing was cut down by two officers who had ordered him to "freeze" but thought he was going for a gun. It turned out he was unarmed.

The shooting ended an investigation of a theft from the Reno home of Wilbur D. May, a director of May department stores, with branches in Cleveland, Denver, San Diego, Los Angeles, and in other cities under different names.

Ontonagon For State Ski Hill

ONTONAGON (AP) — Ontonagon area residents have overwhelmingly testified that they want the Porcupine Mountains ski terrain to stay under state control.

They testified at a hearing Tuesday that the ski terrain should be further developed, but should remain in state hands.

The hearing was held because Jack English, a private ski resort operator, had charged the state should not compete with private ski operators.

Norman Smith, chief of Michigan's Department of Conservation, who presided over the hearing, said he would study the testimony before making a decision.

Mao Followers Ban Traditional New Year Fete

TOKYO (AP) — The lunar new year, normally a time in China for greeting old friends and burning the family idols, came today to a Communist China torn by Mao Tse-tung's fight to conquer the foe of his revolutionary principles.

Provincial radio reports filtering out of the mainland told of new setbacks for the 73-year-old chairman of the Chinese Communist party in Hupai, Shanghai and elsewhere.

With traditional new year observances banned by the Maoists, some human idols were being knocked down as well. Wall posters in Peking reported that Marshal Chu Teh, 61, co-founder with Mao of the Red army, would be hauled before a kangaroo court in the capital Friday to be humiliated for his "anti Maoist" sins.

Japanese correspondents in Peking speculated that this would be a preliminary to Chu's removal from the chairmanship of the standing committee of the National People's Congress, normally one of China's more powerful posts.

Another near-legendary figure in Chinese communism, Marshal Ho Lung, was accused Wednesday of inspiring resistance to Mao in Szechuan Province.

Space Camera In Moon Orbit

PASADENA, Calif. (AP) — Lunar Orbiter 3 slipped swiftly around the moon in an oblique orbit today, preparing to shoot close-up pictures of the rugged lunar surface.

Orbiter, trapped in the moon's gravitational field after a precise deboost maneuver Wednesday, circles the moon every 3 hours and 35 minutes at altitudes ranging from 131 to 1,118 miles.

"We'll shoot our first pictures next Wednesday," a spokesman for the National Aeronautics and Space Administration said, "and probably have a read-out of the first partial frame the same day."

Before that, he said, scientists controlling the experiment from the Jet Propulsion Laboratory here will order the 880-pound craft to change its orbit, bringing it to within 28 miles of the surface at its lowest point.

If all goes well, a spokesman said, Lunar Orbiter 3 will photograph up to a dozen potential landing sites for American astronauts in a long, narrow corridor along the moon's equator.

The pictures, developed aboard the shiny spacecraft, will be radioed back to earth.

A reactor is a nuclear furnace. Deep in its interior, billions of uranium atoms are violently torn apart, creating large supplies of heat and releasing swarms of neutrons in a process known as fission.

Jacob A. Bink Taken By Death

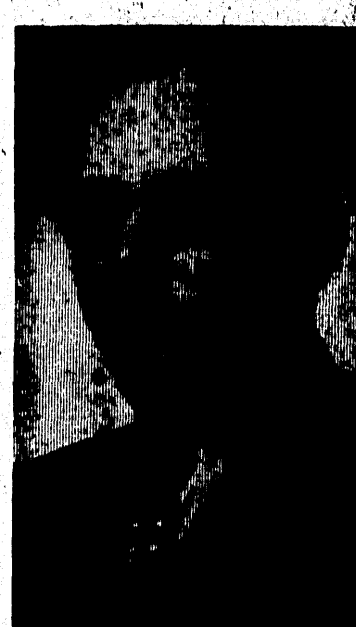

Former Escanaba City Council member, civic leader and retired businessman Jacob A. Bink of 1019 1st Ave. S., died in St. Francis Hospital at 9:25 a.m. today.

He had been ill for the last few years and had been in the hospital for several months.

One year ago, on Feb. 3, 1966, the City Council and the community honored Mr. Bink upon his resignation from the City Council for reasons of health.

He was honored for his 14 years of service to the City as councilman and service on the County Board of Supervisors. His faithful attendance at meetings won him praise from the public and his fellow councilmen.

Mr. Bink was a native of Escanaba, was a lieutenant in the U.S. Army, who served in France in World War I, and was active in support of veterans organizations and interests.

Jacob A. Bink

He worked for the Paper Company and the North Western Railway and was in the automobile business before joining in the family bottling industry, where he was secretary of the Coca Cola Bottling Co.

He was born in Escanaba on Jan. 1, 1897, attended St. Joseph's grade and high schools, and graduated in 1914. He attended Ferris Institute in 1915.

Mrs. Bink died on Jan. 27. She had also been ill for a number of years.

Surviving are one son, Jacob J. Bink of Escanaba; five daughters, Mrs. Lillian Craig of Howell, Mich.; Mrs. Ray (Margaret) Knaut of Newberry; Mrs. Francis (Geraldine) Guay of Escanaba; Mrs. Bart (Helen) Tyrrell of Lansing; and Mrs. Alfred (Joanne) Beauvais of Escanaba; and two brothers, Nick and Frank Bink of Escanaba.

The Allo Funeral Home is in charge of the arrangements, which have not been completed as yet.

Assessors To Meet Tuesday

About 200 township supervisors, city assessors, boards of review members and other officials will attend the 14th annual Upper Peninsula Conference for Tax Assessing Officers at Escanaba on Tuesday and Wednesday, Feb. 14 and 15.

This conference sponsored by the University of Michigan uses as resource people members and staff of the State Tax Commission and assessors from the Upper Peninsula.

The general meetings of the conference will be held in the Conference Room of the State Office Building and the group sessions will be held in the Delta County Building, the Pride Room of the Chamber of Commerce and the Marine Room of the House of Lodging.

"The Ad Valorem Concept of Taxation" will be discussed by Attorney Wheaton L. Strom at the conference banquet at the House of Lodging Tuesday evening. The conference will concentrate on two basic topics, the fundamentals of assessing and the equalization process.

Charles Soderquist, chairman of the Delta County Board of Supervisors; Peter Rose, director of the Delta County Tax Department; Charles L. Schmidt, Escanaba assessor; Harold F. Gustafson, supervisor of Ensign Township and Charles Folio of the University of Michigan Extension Service, are in charge of local arrangements.

Grabs \$1,000

DETROIT (AP) — A bandit, armed with a gun, took \$1,000 from a West Side branch of the Detroit Bank and Trust Co. Wednesday.

Safety Aids To Up Car Prices

DETROIT (AP) — Informed sources in the auto industry said today that federal auto safety requirements "most assuredly" will be among factors weighed when auto makers set prices for 1968 cars.

The sources declined to say how much of a price hike might be the direct result of the safety items.

Safety features on 1967 cars, though, raised retail prices of the vehicles by averages of \$56 to \$66, the auto makers have said.

The industry kept its official reaction to just two words — "no comment" — on reports that 1968 car prices should be affected only a little by the safety requirements.

The reports originated with government sources in Washington, who said next year's models should not cost much more than they would have without safety standards.

LINCOLN'S BIRTHDAY CELEBRATION!

LOOK WHAT A PENNY WILL DO:

It'll Put Your Want Ad Before More Than

50,000 PEOPLE

During Our

Dow Chief Is For Ties With Russia

By JEAN WORTH

Dr. Carl A. Gerstaecker, chairman of the board of Dow Chemical Co., Midland, which with Cleveland Cliffs Iron Co. owns Cliffs-Dow Chemical Co. at Marquette, believes that the nation should back President Johnson in his effort to establish more relationships with Russia.

Right now the issue is the consular treaty with Russia that Secretary of State Dean Rusk has been urging the Senate Foreign Relations Committee to recommend to the Senate for ratification.

The treaty isn't much different from pacts that the United States has with 28 other nations. It would permit diplomats of both nations to assist their citizens who have become involved with the law abroad. FBI Chief J. Edgar Hoover has contributed to the edginess about giving the Russians more beachheads for spying in this country.

DR. CARL GERSTAECKER In Astrakhan hat

"The masses think that they are better off with this system (of communism) than they were under the czars."

"The Penkovsky Papers" on Russia's spy system lists spies and one of the major spies mentioned was our interpreter. I rode Moscow's fine subways and I asked a Russian later why no one noticed me. He asked why they should and I said that, after all, I was talking English and it's a person talked Russian in a New York subway they would be noticed. "He said 'Moscow is a big city with people from many countries all the time. We pay no attention to them. Right now at your hotel there are two Canadians who arrived Tuesday and three Englishmen who arrived Wednesday.' He didn't seem to realize the spying implications."

Parents Everywhere
"I attended the Bolshoi Ballet one night with a Russian engineer. He and his wife have a cottage on a lake just like we do. I asked him what he wanted his son to be and he said, very excitedly that he wanted him to be a mechanical engineer just like him. It was so like an American father our country."

Dedicated Beds
"I favor any such effort as the President's and the State Department's 'building bridges to the East' program. I favor more East-West trade — not with China, but with Czechoslovakia, Yugoslavia and Russia. We're not going to make much profit at it, but we should increase understanding between our countries."

"The Russians I talked with in Russia couldn't believe me as an industrialist. They had been taught an image about what the American businessman is like and I wasn't that. The Russians aren't what we believe about them, either. They are people and we have got to understand them and when we don't communicate, we don't understand them."

"They are dedicated communists and it is silly to think that we can talk with them and make them into private enterprisers. I think that they are coming to this themselves. Their liberals are now saying that they should have consumer products and make a profit. It's coming from within."

talking about his only son's future.

"Moscow is a somber looking city. It doesn't have many cars. The people are warmly dressed and well fed, but they're not attractively dressed. They don't have the consumer products that we do. They're building a lot of apartments and boasting that 'it's getting so that some of the families will have their own bath!'"

Stress Education
"The Russians are pretty good in some technical lines — like the space program, for example. Their industry is not nearly as good as ours, but they are working very hard on it. They are very interested in education and children have to go to school until they are 16 or so, at least in the big cities. "I think that the Russians see themselves as being most like us. I think that they respect things American. Certainly they should, because in the last war we saved their bacon. I think that maybe they are beginning to think that they should be our friends, because they might have trouble with the Chinese."

"Our embassy in Moscow was splattered by Chinese students and when we visited it the Russian guards smiled and gave us the impression that they didn't like the Chinese students either."

Garden Peninsula

Cpl. William B. Doyle returned to the United States Jan. 21, after serving in Viet Nam. He arrived at the home of his parents, Mr. and Mrs. Henry Doyle Jan. 25 to spend a 30 day leave. On route home he visited with Mr. and Mrs. Pete Miller and Mr. and Mrs. Joe Bartos, Chicago, Ill. After spending a week at home he then left for Auburn Heights to visit his sister, Mr. and Mrs. James LaVallee and Mr. and Mrs. Warren Blum.

Mr. and Mrs. Edmond Mercier returned home after spending a month traveling. They stopped in Tucson, Arizona to visit Mr. and Mrs. Tom Mullen, who then took them to Mexico sight-seeing. They then spent two weeks with their daughter and son-in-law, Mr. and Mrs. Joel Thornburgh who just returned from Japan after serving there for three years with the army.

Linda Lou Archey, daughter of Mr. and Mrs. Carl Archey and Lisa Charlene, daughter of Mr. and Mrs. Elmer Mercier, celebrated their first birthday Jan. 24 at the Carl Archey home in Manistique. Guests were their grandparents, Mr. and Mrs. Edmond Mercier, Mr. and Mrs. Henry Archey, Mr. and Mrs. Elmer Mercier and family, Eldon Mercier, Karen Nelson, Mrs. Roy Rochefort and daughters, Roxie, Cindy, and Anna.

A PTA card party will be held Feb. 12, 8 p.m. at the school. There will be door prizes and prizes for each table and lunch will be served. Every one is welcome.

Bark River

Card Party
The Auxiliary of the Rheumatism-Knauf American Legion Post 438 is sponsoring a card party for Saturday, Feb. 11, at the Legion Hall. Prizes will be awarded and lunch will be served. The proceeds will be used for a community project. Mrs. John Moniowczak, Mrs. Martin Kwarciany and Mrs. Arthur Fournier are in charge of arrangements for the party.

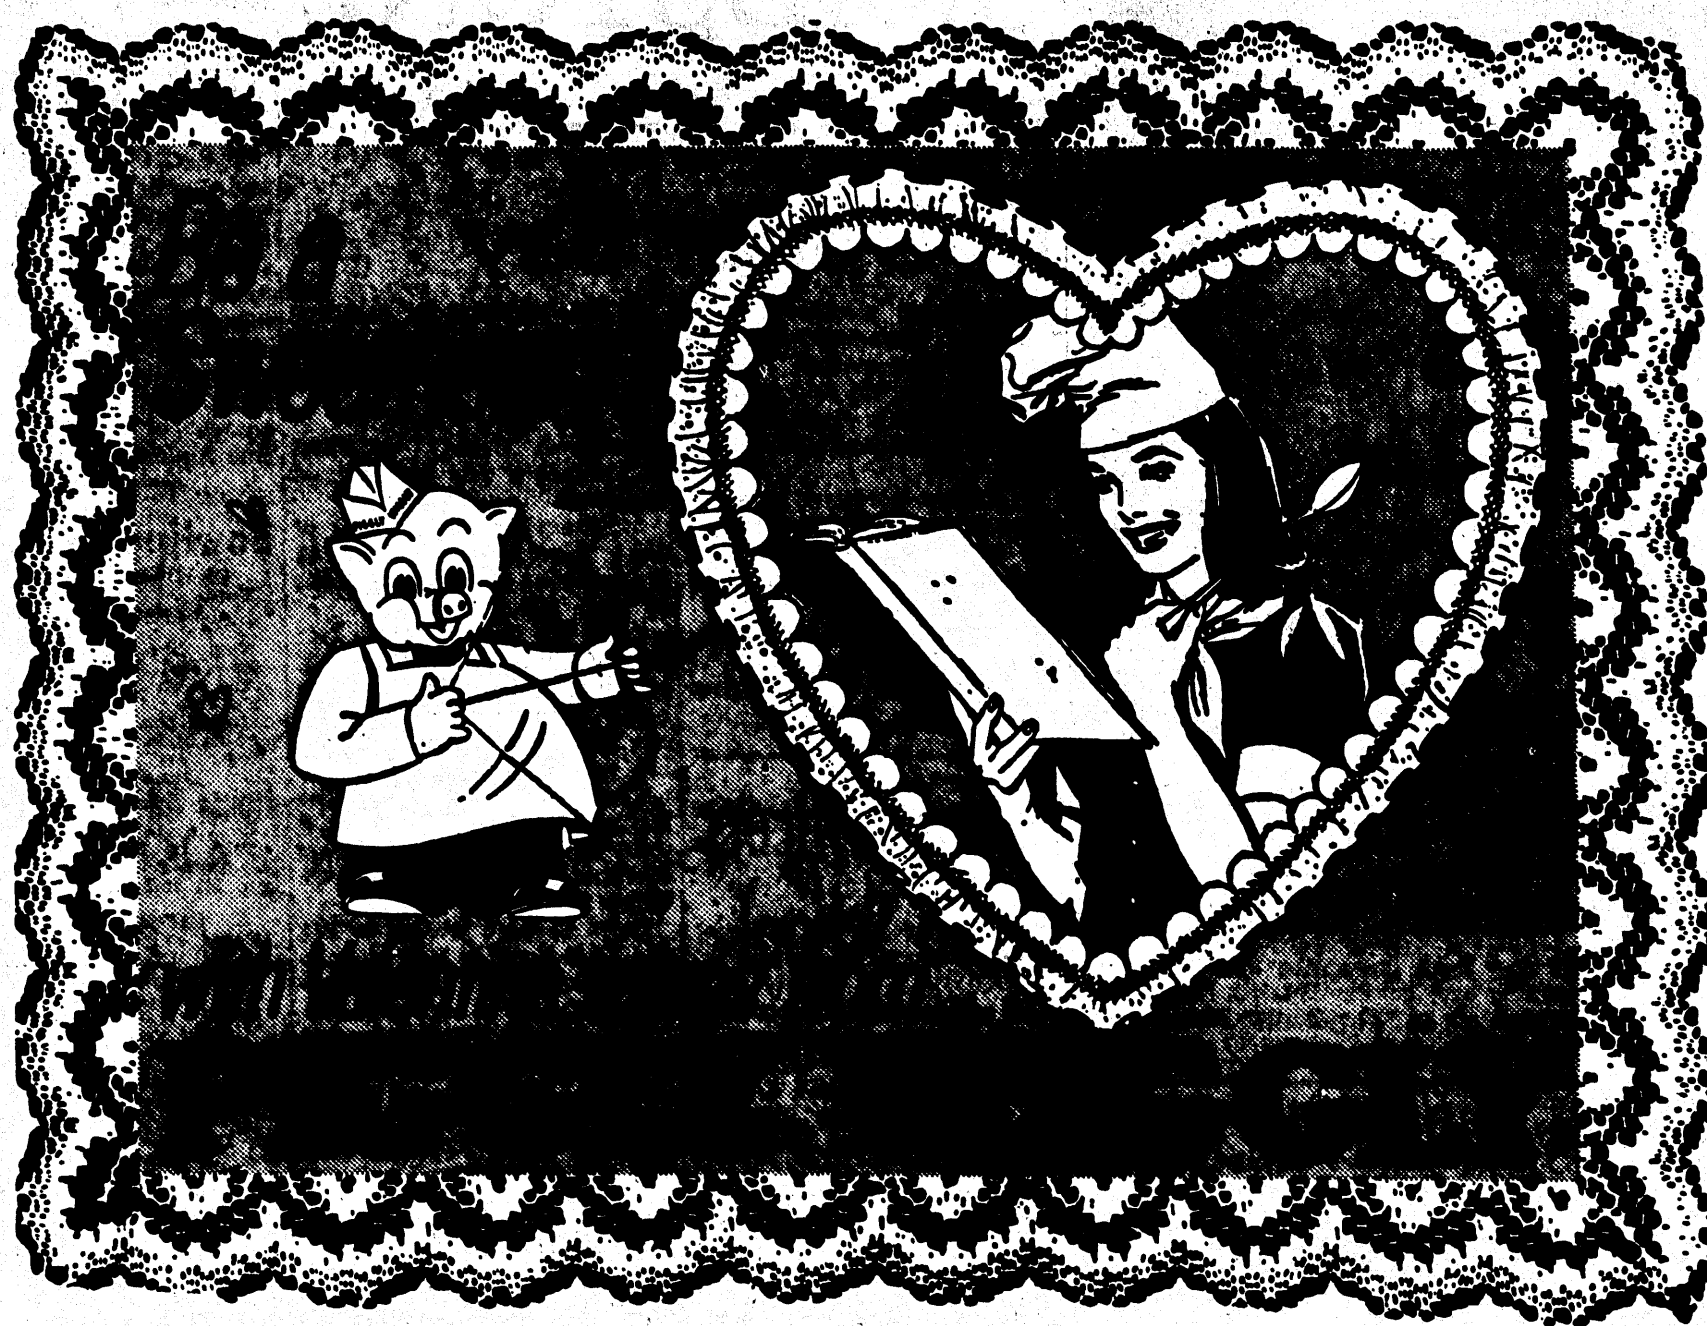

St. George Rosary Society is sponsoring a bake sale at Adams Grocery, Saturday, Feb. 11, from 10 until 2 p.m. Mrs. Joseph Graybowski, Sr., is in charge of arrangements.

A 3-C Thomas Olson is visiting his mother, Mrs. Betty Olson, and family, until Feb. 16 when he will be transferred to England. Airman Olson is a Bark River-Harris graduate, entered service Sept. 30, 1965, received his basic training at Amarillo AFB, Texas before being transferred to Firemen Specialist School at Chanute AFB, Ill.

Isabella

Cribbage
Tied for 1st place in cribbage with a score of 26 are: Ron Peterson, Hazel Schwartz and Mary Hebert. Tied for 2nd are: Lillian Gagnon, Kent Peterson, with a score of 25. In 3rd place with a score of 24 are: Marian Hebert, John Schwartz, and Lynn Gail. Larry's Bar won the first game of the tournament series with a score of 56-53.

GAS VS. MATCHES
To produce the same amount of heat provided by one cubic foot of natural gas, you would have to completely burn between 1,000 and 1,300 wooden matches.

Fishing Spotty In Upper Bay

Ice fishing conditions have improved throughout the district the Conservation Department reports, but cold weather and continuing snow-fall are limiting activity. Field reports state:

1. A few northern pike are being taken with spear and tip-ups with live suckers as bait from Au Train Lake in Alger County.

2. A few bluegills are reported from Little Shag Lake in the Gwin area using wigglers and ice flies.

3. Fair spearing for northern pike on Trout Lake in Alger County with some eight-pounders taken.

4. Bear Lake (Lake 10) in Schoolcraft County continues to produce a few rainbow on wigglers.

5. The Murray Bay area of Lake Superior near Munising is producing some fine catches of large perch.

6. In the Upper Bay de Noc area off Gladstone, fishing is spotty at best with a few perch being taken occasionally. Northern pike spearing in this area has fallen off.

Certain waters open to the taking of rainbow and brown trout by hook and line angling continue open through Feb. 28. These are:

Delta County: Waters of Big and Little Bays de Noc of Lake Michigan; Camp 7 Lake; Goose-neck Lake.

The general spearing season in effect currently continues through February on those waters not otherwise closed to spearing, says Robert W. Timber, law supervisor.

Guard Officers Go To School

All officers and non-commissioned officers of Company E, Michigan National Guard at Gladstone will attend a two-day training school Saturday and Sunday at the Ishpeming Armory.

Attending from Company E will be Capt. George C. Anderson, Lt. Alan LaBache, and Sgt. Neil Sjoquist. Lloyd Leonard, Walter Mokaszko, Ivan Gagne, Gilbert Helgemo, Louis LaCroce, John Sorsuit and Fred Sundstrom.

Refresher courses will be offered on a wide variety of military subjects, including map reading, land mine warfare, communications, fire fighting, vehicle maintenance and classes on two new weapons. Messing and quartering of personnel will be at the Ishpeming Armory. Over 70 men from units at Sault Ste. Marie, Gladstone, Baraga, Marquette, Ishpeming, Manistiquie and Houghton are expected.

Pfotenhauer Is Speaker For Home And School

The Home and School Organization of All Saints Parish will meet at the school Sunday at 8 p.m. A parent-teacher consultation has been scheduled from 7 to 8 p.m.

Donald Pfotenhauer, guidance director of the Gladstone Public Schools, will be the featured speaker. Refreshments will be served at the close of the meeting.

Church Events

Parish Supper
Trinity Episcopal Church will hold a parish supper at the church Sunday at 6 p.m. All members and friends are invited and those who have not been contacted are asked to call Mrs. Donald Davidson for further information.

Obituary

OLAF E. SWENSON
Funeral services for Olaf E. Swenson were held at 11 a.m. today at the First Lutheran Church of Gladstone with Rev. Reuben Carlson officiating. Burial was in Fernwood Cemetery. Pallbearers were, Eric Lindahl, William Nelson, Eric Apelgren, Alvin Bjorklund, Lauritz Dahl and Wilfred Benner.

Briefly Told

The Gladstone Community 4-H Club young miss clothing and knitting group will hold modeling practice at 7 p.m. today at the city hall. Members, 14 years old and older are reminded to turn in their tel-award at this time.

Old Salem, which celebrated its 200th birthday in 1966, preserved its name and separate identity until 1913 when it merged with its bustling neighbor, Winston.

GIANT GULLIVER sculpted from snow cools its heels in Mt. Pleasant, Mich. Brain child of the Delta Sigma Phi and Alpha Chi Omegas of Central Michigan University, it was patterned after the hero of the Jonathan Swift classic. The project took first place in a snow sculpture contest in that city recently.

Soo Asks Route To Paper Mills

The right to extend the Soo's freight service to the Wisconsin cities of Wausau, Merrill and Mosinee and to many of the paper-manufacturing and other industries that lie in the upper Wisconsin River Valley, will be one of the conditions Soo Line Railroad will ask of the Interstate Commerce Commission if the ICC permits the merger of the Chicago & North Western Railway and the Milwaukee Road.

Leonard H. Murray, Soo president, said: "We shall ask the commission to permit the Soo to maintain, and in some cases to originate, competitive rail service at a number of points by allowing entry of the Soo, if the commission decides to approve the merger. In doing so we are not, of course, departing from our essential position of being opposed to this merger," Murray said.

"We believe that the very important paper-producing industries in the Wisconsin River Valley want and deserve competitive railroad service. Merger of these two railroads would destroy rail competition at Wausau and Rothschild and

In This Corner

with Ray Crandell

The two Upper Peninsula high school basketball teams still sporting unblemished records prove there are two ways to achieve cage success. . . One of the teams boasts the best offensive record and the other is the leading defensive team in the Peninsula.

Coach Bill Popp's L'Anse Hornets, defending state Class C champs and winners of 22 straight games, are blazing along at an average of 88.4 points per contest. . . They have tallied 1,149 points while winning 13 straight starts this season. . . Leading the Hornets on offense is Gerry Gerard, a 6 foot 5 inch senior center, averaging a shade over 20 points per game.

Wakefield, also a Class C team, has reeled off 12 straight victories this season and defense is the Cardinal keynote. . . Coach Jim Daniels' team has allowed its 12 victims only 598 points, an average of 49.8 per game. . . L'Anse is also among the defensive leaders in the U.P., allowing their 13 foes 711 points for an average of 54.7 per game.

Last season was unique in Upper Peninsula basketball history as one team compiled both the best offensive and best defensive records for the year. . . Trout Creek, undefeated in regular season action, led the Peninsula in both departments by scoring 1,700 points while holding opponents to 837 in 18 games. . . Coach Bruce Warren's cagers reached the state Class D tournament finals before their victory string was snapped.

Ditka, Gabriel May Jump

Football Merger Didn't Solve All The Problems

NEW YORK (AP) — The pro football merger might have ended the raiding war, but at least two players, Mike Ditka and Roman Gabriel, were not yet ready to surrender.

Ditka, one of the top tight ends in the National Football League with the Chicago Bears, and Gabriel, starting quarterback with the NFL's Los Angeles Rams, are considering jumping to American League clubs if the money is right.

"I've got a valid three-year contract with Houston (of the AFL)," Ditka said. "I won't say for how much, but they gave me a \$50,000 bonus to play out my option with the Bears last season. I keep that no matter what. It's in the bank."

But the six-year veteran who has twice made all NFL did leave a way out of the way.

"The Houston people have said they will forget about it to keep peace if the Bears give me the same contract I have with the Oilers," Ditka said.

"The big problem on the Bears is a matter of communication between the players and the coaches. This situation never would have come about if Halas (Chicago owner and coach George Halas) had listened reasonably."

He accused Halas of "trying to pay players with salaries of the 1940s and 1950s."

Gabriel, who reportedly signed with the Oakland Raiders of the AFL for 1967, was quoted by sports editor George Ross of the Oakland Tribune as saying:

"I am laying back to see what

Holy Name Shoots For Runnerup Spot In Loop Standings

Team	W	L
Escanaba	6	0
Menominee	3	3
Holy Name	2	2
Iron Mountain	2	2
Kingsford	1	3
Stephenson	1	3

Game Friday
Holy Name at Menominee
Stambaugh at Kingsford
Norway at Stephenson
Iron Mountain at Iron River

Game Saturday
Marquette at Escanaba

The Holy Name Crusaders have an opportunity to vault into sole possession of second place in the Great Northern Conference standings Friday night when they invade the Menominee gym.

Holy Name carries a 2-2 conference record into the contest while Menominee is 3-3 behind Escanaba's perfect 6-0 record atop the league ladder.

The Holy Name-Menominee game is the only conference tilt this weekend as all other GNC teams are busy with non-league foes.

Conference statistics released today by Ken Peterson show Pat Miller of the Maroons still holding the top spot in the individual scoring race, a shade ahead of Escanaba's Paul Miller.

MEET FRIDAY

The Great Northern Conference board of directors, composed of the principals of the six member schools, will meet Friday at 1 p.m. at Holy Name High School to take action on the Menominee ineligibility case.

The directors will rule on the disposition of the games which Menominee played in the conference in which the ineligible player competed.

The Michigan High School Athletic Association executive committee has ruled that the non-conference games involved, in football and basketball, must be forfeited by Menominee.

The Maroon center has tallied 150 points in his six starts for a 25 point average. The Eskymo senior is averaging 23 on 138 points.

In other departments, Escanaba's Bob Myrvall continues to lead the conference in field goal accuracy with a spectacular .803 shooting percentage on 49 goals in 61 attempts. Dave Nyquist of Escanaba has moved into the No. 1 rebounding spot with 78, followed closely by Myrvall with 75 and Brian Oumette of Iron Mountain 73.

Rodman Sets Cage Dates For Tourney

HERMANSVILLE — The 20th annual Upper Peninsula and Northeastern Wisconsin Amateur Basketball Tournament will be held in the Hermansville Community Club gym on March 18-19-21-22-23-25 and 26, Frank J. Rodman, tournament manager, announced today.

The tournament will be held the week following the Michigan High School Tourney finals in Lansing and will be in progress when the U. P. Sports Writers Association holds the annual meeting as guests of Rodman Saturday, March 25, to make their annual basketball selections.

The Amateur Tournament, originated in 1936 by the late Joe Rodman, had been held every year since, with the exception of the war years.

The tournament will be divided into Class A and Class B with similar awards in each class.

Teams from all parts of the Peninsula and as far south as Green Bay are expected to enter this year.

Marquette Raish Oil and the Garden City team won the Class A and B titles last year. The meet drew 38 teams. Bruce Forstrom and Gene Summers paced the Marquette five. Pat Morin led the Garden team to the Class B Title.

One Gladstone Team Gets Win In Tournament

GLADSTONE — Host Gladstone teams split in two games in the Great Lakes Conference jayvee tournament here Wednesday night. The Gladstone 9th grade team defeated Marquette, 63-36, while the Gladstone jayvees bowed to Marquette, 74-70.

The finals Saturday will match Gladstone and Ishpeming at 6 in the 9th grade finals and Marquette-Negaunee in the jayvee finals. Winners will advance to the tourney finals at Munising the following Saturday.

Former Destiny's Darlings

Ill Fortune Now Lot Of Bulldogs

By The Associated Press

Drake's college basketball team used to be known as Destiny's Darlings a few seasons back. Now ill fortune is the lot of the Bulldogs in the tough Missouri Valley Conference.

They had the nationally third-ranked Louisville Cardinals on the ropes with a 10 point lead in the second half Wednesday night but couldn't hold it and went down to defeat 57-54.

The victory made Louisville's conference leading record 8-1 and upped the Cardinals' over-all mark to 19-2, but as Coach Peck Hickman said after the game at Des Moines, "we were lucky."

North Texas whipped St. Louis 77-73 in another MVC game.

Once beaten Boston College and Providence, the only other teams in The Associated Press Top Ten to play, each won.

Boston College, No. 10, won its seventh straight and made its record 13-1 by beating the St. Joseph Hawks 83-69 at Philadelphia behind Steve Adelman's 27 points.

Ninth-ranked Providence, led by Jim Walker's 35 points scored an 89-71 home court triumph over Fairfield.

The Friars now are 15-3.

Playing on the road, Cincinnati led Wichita 55-33 with 30 seconds left. Then Lillard Harris tied the score and Melvin Reed scored the winning basket for the Wheatshockers on a lay-up in the final seconds.

Bill Cutler's 20-foot jump and two free throws by Hamp Hazelton in the last five seconds broke a 73-73 tie and gave North Texas its victory over St. Louis at Denton.

Bob Verga's 28 points, 15 of them in the second half, paced the Duke Blue Devils over North Carolina State 66-65 at Raleigh. At Syracuse, Rick Dean's two free throws with 11 seconds to go gave the Orange a 67-65 squeaker over Niagara for its ninth straight victory.

Glen Combs threw in 30 points to lead Virginia Tech over the visiting Ohio University Bobcats 87-47 while Marquette withstood a late Chicago Loyola rally to edge the Ramblers 81-80 at Milwaukee.

Two key baskets by Fred Foster beat Miami of Ohio to a 75-68 road triumph over Bowling Green in double overtime. Don May's 28 points sparked Dayton over Xavier of Ohio at Dayton while Florida defeated Miami, Fla., 73-57 at Gainesville.

In home court victories, Temple beat LaSalle 79-65, Detroit took Canisius 84-64, St. Peter's of New Jersey nipped NYU 66-68 on Ken Grant's last second basket and Oklahoma City crushed West Texas 107-75.

On the road, Toledo humbled Western Michigan 66-76, Marshall downed Kent 65-61, Auburn whipped Louisiana State 80-64, DePaul defeated Notre Dame 56-49 and Colgate conquered Lafayette 75-62.

Race Not Over Yet For Lakers As West Stars

CHARLESTON, W. Va. (AP) — Well, it's not over in the National Basketball Association's Western Division race as far as the Los Angeles Lakers are concerned, despite San Francisco's bulging lead.

Jerry West, a native of Cabin Creek, W. Va., and an All-American at West Virginia University, came back to his boyhood haunts Wednesday night with a 40-point performance as the

Lakers whipped the Baltimore Bullets 121-106.

In other games, Philadelphia defeated Cincinnati 118-106 and New York edged Chicago 106-103.

"No sir, the race in the West isn't over yet," said Lakers' Coach Fred Schaus after the game. "We got a slow start — a very slow start — because of injuries. And there are enough games left to turn it, if San Francisco should have a couple of injuries, particularly to (Nate) Thurmond."

After a frigid start before the 5,028 fans who wanted to see West score big, the Lakers found the range near the end of the first period. West was scoreless for the first eight minutes of the game but the Lakers moved to the front at the end of the first stanza and pretty much controlled the game the rest of the way.

Old pro Elgin Baylor chipped in with 20 points and former UCLA All-American Gail Goodrich tossed in 11 in the final minutes he played in the final period. Muscular Tom Hawkins turned in a good showing, as did tall Mel Counts, who was acquired in that controversial three-way trade with Detroit and Baltimore.

Philadelphia posted its fourth straight victory while handing the Royals their fifth consecutive defeat. Wilt Chamberlain led the 76ers in the game at Cincinnati. He scored 27 points, grabbed 24 rebounds and handed out 13 assists. Chet Walker scored 31 points for Philadelphia and Hal Greer added 28.

Dick Barnett exploded for 17 points in the third quarter, rallying New York from a 54-46 halftime deficit to a 82-79 lead after three quarters. The Knicks, however, needed two free throws from Emmette Bryant with two seconds left to clinch the victory at Evansville, Ind.

Escanaba Teams Beat Gladstone In Puck Action

Escanaba junior hockey teams turned in victories over Gladstone teams in action at the watertower rink Wednesday night. The Esky Credit Unions Juveniles won 20-1 and the Escanaba Bantams notched a 19-0 decision.

Dennis Bourdeau scored six goals, Gary Abrahamson four, Bob DeGrand three, Bernard LaPlante, Dale Nault and Stan Wiltsius two each and Guy Provo one. Jim Ferrari moved into the nets for Escanaba Juveniles.

Dennis Lancour led the Bantams with five goals while Bruce Irving tallied four, Gary Provo and Bob Stone three, Karl Hannula two and Lonnie Smith and John Pratt one each. John Strom registered the shut-out in the nets.

The Escanaba PeeWee and Bantam teams will play at Gladstone Friday night at 7 and 8:15. Players will meet at the watertower rink at 6 for the trip.

Braves Shuffle Office Workers

ATLANTA (AP) — Jack Carlin, 29-year-old University of Nebraska graduate who has been with the Braves 15 months, today was named business manager of the Atlanta baseball team.

Carlin succeeds Richard A. Cecil, who has been named assistant to William C. Bartholomew, chairman of the board and president of the Braves. Carlin has been Cecil's assistant.

EARLIER START

PERKINS — Starting times for the Perkins home basketball games against Rapid River Saturday night and Garden Wednesday, Feb. 15, have been changed. Coach Verne Nelson announced that the junior varsity games will begin at 6:15 and the varsity title at 7:45.

Funseth Serves Golf Notice In Phoenix Action

PHOENIX, Ariz. (AP) — Rod Funseth, who registered his only tour win here in 1965, served notice he's in the running again as first-round play got under way today in the \$70,000 Phoenix Open Golf Tournament.

Funseth, who says he is not playing good golf, carded a three-under-par 68 in Wednesday's pro-am warm-up over the 6,450-yard Arizona Country Club course and was one of the few pros who weren't critical of the hard and fast greens.

He birdied six holes, carded three bogeys and had three three-putts holes. The win was worth \$250 for Funseth.

"Boy, they're going to have to do something with those greens," said Dan Sikes, who failed to register his score in the pro am event.

Sun and wind in recent weeks have dried the fairways, usually a good sign the added distance expected on fairway shots will leave short and relatively easy approach shots.

It wasn't so Wednesday, as approaches raced across greens into the fringes and traps.

Al Geiberger, defending PGA champ, said the green play was inconsistent and should put the winning score in the neighborhood of 275 or better.

"I wasn't able to lag a putt all day," said Geiberger, who three-putted six holes, registering a 73.

Ken Still, who carded a 73, said, "Complain? Who'll complain when they put up \$70,000?"

Dudley Wysong, defending titlist from McKenney, Tex., was one of 11 golfers bunched at 72.

Billy Casper, who fired a two-under 69 Wednesday and Gene Lattier and Doug Sanders, with 75 and 73, are rated the favorites for the \$24,000 top money.

Boston Fisherman Record Stands, At 80 W-2 Forms

NEW BEDFORD, Mass. (AP)—Consider the case of an unidentified New Bedford fisherman who walked into a tax consulting office the other day with 40 W-2 forms. Those are the forms that list wages paid and tax deducted.

The man had held 40 jobs during 1966. Every time he went to sea aboard a fishing boat it was a new job.

James E. Wheeler, New Bedford manager of the tax firm, said he thought the sheaf of W-2 forms set a record. But then he made a few inquiries and learned of a man who brought 80 forms into the company's Boston office.

He was a fisherman, too.

Briefly Told

Public Safety officers ticketed Alvin J. Robinson, 119 N. 3rd, improper parking.

Atwater Extension Study Club meets at the home of Mrs. Rudy Brandstrom, Monday, Feb. 13 at 8 p.m.

State Police ticketed James W. Boles, Flint, driving too fast for conditions; John W. Ives, Michigan, speeding.

American Legion Auxiliary meets at 141 N. 2nd St. at 8 p.m. Monday. Pot luck lunch will be served. Members are to bring table service. A white elephant sale will be conducted.

The second workshop program for school librarians involved in federal Title II programs will be held at 1 p.m. Wednesday, Feb. 22, at Gladstone High School, announced Raymond L. Godmer, Delta-Schoolcraft Intermediate superintendent. Mrs. Elizabeth Brown, Upper Peninsula Title II consultant, will present the program covering topics of inventory procedures for librarians.

Mike Miskovic, Rte. 2, Bark River, was ticketed by State Police for violation of the basic speed law after he lost control of his panel truck and rolled over at 12:30 p.m. Tuesday. The accident happened on County Rd. 521 west of County 533. Miskovic suffered slight injuries, officers said. Also ticketed Tuesday were Harold Brazeau, Rte. 1, Gladstone, speeding, and Richard C. Johnson, 1029 N. 18th St., Escanaba, no registration or proof of insurance.

Seek 13-Mill Tax

FLAT ROCK (AP)—The Flat Rock Community School District has set March 27 as the date for a vote on whether to renew for five years a 13-mill school operating tax. The tax would raise about \$226,000 a year.

MANISTIQUE

FIRST COMMERCIAL flight of Peninsula Air Transport from Escanaba to Sault Ste. Marie Wednesday stopped at Schoolcraft Airport at 12:36 p.m. Two passengers flew to Escanaba aboard the first flight. A large group gathered at the airport to watch the first flight into the much-improved Schoolcraft Airport. Exchanging felicitations on the first flight of the new air service at the Schoolcraft Airport are, from left: Jon Thorin, operations director of PAT; Mayor Harold Vanlerberghe of Escanaba, chairman of the Air Service Subcommittee of the Upper Peninsula Committee for Area Progress; Thor Reque, mayor of Manistique, and Harold Carlson, of the Schoolcraft Airport Committee. (Daily Press Photo)

New Air Service Is Inaugurated

Feeder airline service linking Schoolcraft County airport with the new Peninsula Air Transport system in Upper Michigan began Wednesday with a large group witnessing arrival of the first flight of the Cessna plane piloted by Jon Thorin.

A certificate of appreciation was presented by the Chamber of Commerce at the inaugural stop. The plane arrives at 12:36 p.m., enroute to the Soo and leaves the Schoolcraft airport for Escanaba at 1:53 p.m.

The service provided by the company owned by Ralph Norton is regarded as a welcome one in the area and the number of persons gathered to wish the venture well was greater than had been expected, due to cold weather.

First passengers aboard the plane from the Schoolcraft airport were Fred Cayia and Malcolm Nelson, who flew to Escanaba on the return flight Wednesday.

In the past several years a number of improvements have been made at the Schoolcraft airport, providing a paved east-west runway, new runway lighting, a beacon and an omnistation.

Silver Palm Is Awarded

Frank Hentschell

In observance of Boy Scout Week Feb. 7-14, Troop 400 held a Court of Honor Tuesday night, highlighted by presentation of the silver palm to Frank Hentschell.

Fifteen badges beyond the 21 required for Eagle Scout are required for the award. Only one other has received it in Manistique Scouting — Bob Hentschell now a Scoutmaster in Millington, and uncle of Frank.

During the ceremonies the charter was presented to Merwin White for the Sportsmen's Club. Lawrence Nelson and Steve Aller received patrol warrants and Fred Cayia, senior patrol leader, warrant and Frank Hentschell, junior assistant Scoutmaster. Year pins were awarded.

Tenderfoot ratings were given Bob Lancour, Pat Clement, David McGregor, Mark Connor, David Rodgers, Mark Courmay received the second class award. Merit badges were given Fred Cayia, who also received the life award and Frank Hentschell.

LCW Valentine Tea Planned

A program has been arranged by Joy group for the annual Valentine tea Saturday at 2:30 p.m. in Augustana Hall under sponsorship of the Lutheran Church Women.

Mrs. Earl Malloch Sr., will present greetings, Laurie Gesko, Scripture reading, Marsha Anderson, Valentine recitation and song, Patti Peterson, a cornet solo, Mrs. Clifford Cool, poetry readings and a Valentine trio will perform.

The trio consists of Mrs. John Paul Quick and her two daughters, Pamela and Paula. Accompanists will be Mrs. Jack Orr, Merry Jo DeSautel and Mrs. Ed Mathson.

Patience group is in charge of decorations and the dining room. On the hostess committee are Mrs. Edward Mathson, chairman, Roy Anderson, Harry Ahlstrom, Naibert Gerber, Richard Bjorkman, Lyle Smith, Aldred Farley, Malcolm Nelson, Donald DeSautel and Henning Mattson.

All women of the community have been invited.

Hospital

Admitted to Schoolcraft Memorial Hospital were Evelyn Dausey, Margo Nygard and Marie Gardner.

Discharged were Francis McNamara, Genevieve Miller, Jacqueline Stamper, Lillian Zawada and Douglas Howard.

Briefly Told

The names of Sharon Martin, William McKilligan and Frances Middaugh were unintentionally omitted from the seniors in the Manistique High School honor roll in Wednesday's paper.

Ask 3-Mill Levy

LANSING (AP)—The Lansing School Board will ask voters April 3 to approve a three-mill tax to finance a \$17.7-million building program. Voters will be asked to decide on a 1 1/4-mill, three-year levy and a 1 1/4-mill, 29-year levy. A three-mill levy just expired.

Milliken Speaker For GOP Dinner

Lt. Gov. William G. Milliken will be guest speaker at a Lincoln Day victory dinner Feb. 16 at 6:30 p.m. in St. Francis parish center.

Milliken has served four years in the State Senate and is in his second term in his present office.

He is president of J. W. Milliken Inc., department stores and a graduate of Yale University.

In 1953 he was selected by the State Department to spend 75 days in West Germany in an inter-cultural exchange, and from 1947 to 1955 served on the State Waterways Commission on appointment of the late Gov. Kim Sigler. In World War II he flew 50 combat missions and was wounded over Austria, receiving the Purple Heart.

Scheduled to be here with Milliken will be State Rep. Charles Varnum and possibly Cong. Philip Ruppe. Dinner tickets are available through Mrs. George Wood.

Social

4-H Cooking Club

The Ten Little Measuring Spoons met Feb. 6 at the home of Mrs. Robert Brouilleries. Noreen Weber was elected to take care of the scrapbook activities. The next meeting will be held on Feb. 13 and the club will make relishes and cookies.

Grade Pupils Make Toys For Retarded

NEW YORK (AP) — "We love you, too," say the children at suburban Seaford Harbor Elementary School in a Valentine's Day gesture to some mentally retarded youngsters.

From kindergarten through the sixth grade, the 1,000 pupils at Seaford have worked for more than a month to make toys for the less fortunate at the Association for the Help of Retarded Children Center in nearby Brookville on Long Island.

The project is called "We love you, too."

Twenty-five pupils from Seaford Harbor and 10 adults from the Parent-Teachers' Association will deliver the toys and a lollipop tree to the mentally retarded children within the next two weeks.

Florence Cangelieri, president of the Seaford Harbor PTA, said the project was begun as a means of bringing happiness and understanding to the mentally retarded.

"We had decided to create a mental health program in school to have the young children understand the meaning of mental retardation," she explained. "When children see another child mentally retarded, they don't always understand."

"If they had an understanding that they are all God's children, they wouldn't ridicule them as they sometimes do. They would understand that they are ill."

Mrs. Cangelieri, who has two children in school at Seaford, said the pupils made stuffed animals out of felt, hand puppets from material and miniature towns out of balsam wood during their art classes. The PTA supplied the money for the project from funds raised by selling Christmas articles and other events.

She said that when the 25 pupils make the presentation, they will report to the others on their visitation.

LEARNING TO LEAD the band is four-year-old Donna Dillon of Dallas, Tex., with help from band leader Guy Lombardo. Donna is the 1967 March of Dimes Poster girl. Lombardo took time out from his shows at the Waldorf Astoria Hotel in New York to entertain and introduce the youngster to all his Royal Canadians.

Cause Of Fire Fatal To 25, Still Mystery

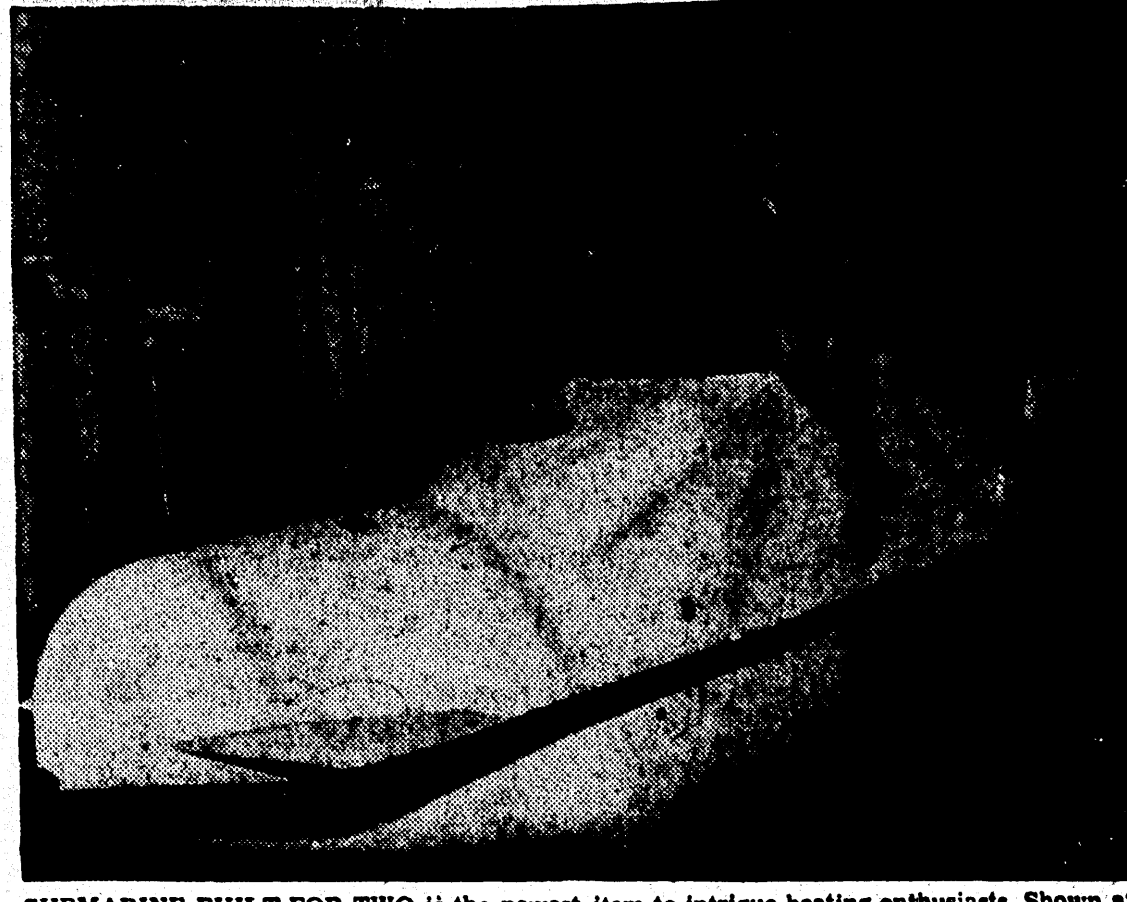

MONTGOMERY, Ala. (AP) — Fire Department officials continued their search today for the cause of a flash fire which swept through a plush penthouse restaurant Tuesday night claiming 25 lives.

Funeral services for some of the victims were held today with others scheduled Friday and Saturday.

Fire Chief W. T. Mallory said his men were still interviewing witnesses in an effort to determine the cause of the blaze at Dale's Penthouse.

Victims of the worst fire in Montgomery's history included a former member of the State Public Service Commission, Ed Pepper, and a top official of the International Teamsters Union, Sidney Zagri of Washington.

The wife of the Montgomery Advertiser's sports editor, Jack Doane, died in the flames which swept the restaurant where she was a hostess.

SUBMARINE BUILT FOR TWO is the newest item to intrigue boating enthusiasts. Shown at the Mid-America Boat Show in Cleveland, Ohio, the two-man undersea craft imported from West Germany operates to a depth of 115 feet, runs at five knots, and has a range of 12-20 miles or four hours before batteries operating its electric motor need recharging. Safety features: Oxygen supply, air scrubber to remove carbon dioxide, protection against diving too deep and an escape system if the sub cannot surface with the usual mechanism. Gracing the hull is Peggy Chuey of Campbell, Ohio, boat show queen.

Saginaw Police Guarding Homes, Threat Reported

SAGINAW (AP) — Police have been posted guards around homes of a number of Saginaw physicians and dentists because of a reported telephone threat, police said Wednesday.

Joseph E. Bugenske, Saginaw police chief, declined to elaborate but confirmed the reports.

The threat reportedly was made Saturday, hours before a Lutheran school teacher and his wife were found slain in their modest East Side home, a mile from the scene of another double slaying a week ago.

Both police and Saginaw County Prosecutor Robert Currie denied reports that two suspects were being questioned about the slayings.

"No one is in custody," said Currie Wednesday night. "But the investigation is progressing nicely."

Six-Year-Old Lad Lifts 135 Pounds

TORRANCE, Calif. (AP) — James Rundell says his 54-pound son, Sean, 6, can lift a 135-pound weight.

He added that he and his son recently had walked 50 miles in 15 hours, 49 minutes, and rode bicycles 100 miles "to show what an American boy can do."

Rundell, 38, said he owns a gymnasium in nearby Lomita. His son, oldest of four brothers and sisters, has been lifting weights since he was 4.

McLouth Expands

DETROIT (AP) — McLouth Steel Corp. will employ computers in a \$105 million expansion and modernization program that will increase capacity by 38 per cent.

Nuclear-Powered Hearts Spell Trouble For Poets

EDITOR'S NOTE: Some doctors in Boston recently announced that they were having some success with efforts to develop an atomic powered heart for humans. There's no denying the great boon such an accomplishment would be to medical science, but progress is not without hazards. Some of them occurred to Marion Boyer, veteran Michigan newswoman and with tongue in cheek she set about to catalogue them.

By MARION BOYER

Sault Ste. Marie Evening News

"Baby, you're breaking my portable nuclear-powered isotopic heart," may be the slogan printed on Valentines of the future, if things work out for a physician-engineering team in Boston, which is developing a miniaturized, atomic powered engine and pump which would replace or assist the damaged human heart.

They don't expect to have it ready for actual use for another 10 years, which is probably a good thing. It's bound to have an impact not only on medicine and Valentine's Day, but on the whole English language, and we'd better start practicing.

"I will wear my heart upon my sleeve for daws to peck at," wrote Shakespeare in Othello. Poets of the future will write, "I will wear my nuclear engine implanted under the diaphragm on the left side of the abdomen, with a connecting line going upwards to the assist pump." What kind of poetry is that, for heavens sake?

If Christina Rossetti were around to write, "My heart is like a singing bird....", someone would probably tell her to get a motor tune-up.

What will happen to Valentines, with their traditional pictures of hearts pierced by Cupid's arrows? They will probably substitute a picture of a three-pound atomic machine blowing up.

The way to a man's heart will no longer be through his stomach, but through the interconnecting hydraulic cable to a heating chamber full of isotopes.

We can anticipate a new era in TV commercials, watching little cartoons of a glass of seltzer water squelching a case of heartburn caused by a short circuit.

Isotope Ballad?

Singers won't have much to say about a person who left his heart in San Francisco, except to mention that he will be missed. Songs about stout hearts, sad hearts, cheating hearts and cold hearts will make way for ballads about exhausted isotopes.

Broken hearts will be mended in the electronics repair department, and one can only hope that the absence will make them grow fonder.

Newspaper obituary columns will tell you that Mr. Smith's unexpected demise was caused by a malfunction of his transistors. And there will be no more cold-blooded criminals, only victims of faulty thermostats.

If a heart beats faster, can you be sure that is true love or

just those isotopes rattling around?

The Boston research team has a lot of work ahead, which includes figuring out some answers to Shakespeare's old question, "Tell me where is fancy bred, in the heart or in the head? How begot? How nourished? Reply, reply."

Overstreet Calls For Family Limit

SAN FRANCISCO (AP) — If parents don't limit the size of families voluntarily, then governments may have to pass laws to keep population down, a planned parenthood advocate has predicted.

Dr. Edmund W. Overstreet of the University of California Medical School said world food production showed no increase in 1965 for the first time in history. Yet, he added, world population increased by 65 million the same year.

Seeks Demo Post

LANSING (AP) — Mrs. Erville B. Maynard Jr. of Flint said today she will run for secretary of the Democratic State Central Committee.

Central committee members will elect a secretary Feb. 19 following the spring convention in Grand Rapids.

Mrs. Maynard is the wife of a Flint minister and has been active in Genesee County Democratic politics.

Hospital Grant

WASHINGTON (AP) — The Department of Health, Education and Welfare has approved a \$3,667,568 grant for Children's Hospital, Detroit. The money is for construction of a 320-bed teaching hospital that would be affiliated with Wayne State University.

The grant was announced by Michigan members of Congress.
